

Grange Has Memorial

Ankeny Fellow Members Mourn For Mrs. Finlay

ANKENY — A memorial service was held for Mrs. Eugene Finlay at the August meeting of

the Ankeny grange. Mrs. Finlay had been a member for 27 years. Members bedecked the altar with white roses in honor of her.

Reports from standing committees were heard. Mrs. George Marlatt said no club meetings had been held through July and August but that Mrs. Rex Hartley would be hostess for the meeting on September 17. Mrs. C. F. Johnston told of a letter received from her brother, who lives in Illinois, saying hemp was being raised extensively in that state. Farmers

there are spraying apples and pears now, using harmon spray to prevent the fruit from dropping. Community canneries were advising against using iodized or shaker salt for canning, the common salt being safer.

Jake Gilmour reported a good bean crop. Rex Hartley read a letter from Fred Brinkman, national grange representative at Washington, DC, on production and price fixing of various products. Farmers interested in synthetic rubber was discussed.

During the program hour, Mrs. Hattie McCarty conducted the following: roll call, "Vacations I Have Taken and Would Like to Take", reading, "Brown's Vacation." Luncheon was served at the close.

Grange will meet again on September 4.
