# What You Buy With

Hard Work; No Cheers

There's nothing romantic or spectacular about a navy tug, a wrecking derrick, but in waterborne warfare their work must be accomplished before our ships move in, before our ships move out. Wrecked planes, wrecked ships must be cleared from harbors before other ships of the fleet can function.

Something like War Bends; nothing spectacular about them, but the mation must support the war through them if we are to win victory.

Wednesday morning to spend short furlough with his parents, Mr. and Mrs. Martin Seifer. He is stationed at Fort Custer near

Battle Creek, Mich. Maj. Michael J. Mahony is at his home here this week on a visit and business trip. Since his induction, Maj. Mahony has instructed trainees at several camps in the east, south and northeast sections of the United States.

Maj. and Mrs. Arthur Mears and son, Jack, called recently on Katie Ditrick and her mother at their home here. Miss Ditrick lived with the Mears for 17 years and they always call on her when in this section.

Pvt. Lloyd Newcomer, who is on maneuvers in the Bend section, called on friends and relatives here Saturday.

class, has completed his boot camp training at Farragut, Ida., and has been at armed guard school in San Diego. He was at home last week with his parents, Mr. and Mrs. Grover Hinkle, 595 South 15th street. Seaman Hinkle has now been shipped out.

WEST SALEM-George Tandy, son of Mrs. Laura Tandy of 2150 Trade street, Salem, and Archie Cameron of Elm street, West Saboro, Tenn., said "It's the biggest lem, both were inducted into the to be done in the fields and orarmy early in September and are stationed at Camp Callan, Calif. ### **Paralysis** Scare Over

**Turner Schools** To Open Monday: **Enrollments Drop** 

TURNER - Turner schools will open on schedule Monday, September 27, Supt. James O. Russell said Friday, after being authorized by school board members to consult Marion county health officials about the infantile paralysis case reported in the community.

Health officials found little danger of spread of the disease, and assured Russell it would be safe to start classes.

STAYTON - Stayton public schools opened Monday with a decrease in enrollment in the high school and an increase in the grade school. However, with the close of the cannery and harvest work in the vicinity, a number of students will start, especially in the high

Registering in high school were 143, as against 161 last year. In the grade school there are 123, against 115 last year.

LAKE LABISH - Mrs. E. M. Dimmick of Salem will teach in school district 102, Lake Labish school, this year, with classes opening Monday, September 27.

The school premises have been put in order and floors oiled by C. N. Robb.

GERVAIS - The grade school opened Monday with 22 in the primary grade taught by Marjorie Niesen and 12 in the upper grades taught by Mary Jorgensen. It is thought enrollment in the upper grades will be increased at the end of the harvest. There are eight beginners in the primary room. Parochial school enrollment reached 60 Monday.

SILVERTON-Students from Silverton planning to attend Mt. Angel schools this year are being granted an extension of summer vacation until October 4 on account of the need of prune pickers and other types of work

#### Donate Blood

LINCOLN - Mrs. L. I. Mickey, teacher at the Lincoln school for the past two years and the present incumbant, Mrs. R. W. Hammer, were blood bank doners at the Salem Red Cross center Tuesday

Thefts Told City Police "Losses" of currency and num erous thefts were reported Fri-day to city police, who set about looking for purses containing \$30 to \$210, a plaster deer, a wristwatch, sunglasses, gloves, and several gasoline tank caps and knobs from automobile gear Heaviest losers were Mr. and Mrs. Jack Wright, 1131 Edgewater street, West Salem, whose

Money Loss,

\$205 to \$210 fruit picking earn-ings were in a billfold laid down in a downtown restaurant and not

Ida Meisch, Woodburn, left her handbag on the counter of a Salem store, rushed back from across the street a few minutes later and failed to find the purse, the \$90 it contained or the personal papers and pictures she said were worth even more to her than the cash.

Harry Thacker, 895 North Cottage street, felt so keenly the theft from the backyard of his residence of a plaster of paris deer in repose that he offered \$25 for its return.

Mrs. Dorothy Ramsey, 918 Trade street, left the doors of her house unlocked for a short time and when she returned discovered that a purse containing \$55 had been taken from its hiding place under a mattress.

S. L. Miner, 2030 Trade street, lost a wristwatch from the glove compartment of his car while it stood parked at Front and Shipping streets Thursday night. A small window in the front of the car was broken and the glove compartment pried open, police

W. H. Anderson, 1138 Jefferson street, lost a pair of sunglasses valued at \$7.50, a pair of leather driving gloves and a screwdriver from his car while the vehicle was in the garage at his residence Thursday night.

While Mrs. Clarence Woolery's car was parked in the 300 block of Ferry street, a rear view mirror was taken, Mrs. Woolery, whose residence is 1910 Les street, reported to police.

Shortly after Mrs. Marie B Coleman of the "Gay Marie," riverboat apartment house, had reported theft of \$65 from her home, police announced Friday afternoon that she had recovered the money.

#### Okie Aggies Win 21 to 13

OKLAHOMA CITY, Sept. 24-(AP)-An untried Oklahoma Aggie eleven, sparked by Freshman Bob Fenimore, came from behind in a busy second half tonight to turn back the Texas Tech Raiders from Lubbock, 21-13.
