

## Wheat Prices Forge Ahead

### Contracts Reach New Seasonal Tops; Trade Active in All Pits

By WILLIAM FERRIS  
CHICAGO, Oct. 29 (AP)—Wheat prices forged ahead under aggressive milling and distilling demand today. Trade in all pits was active.

At their highs all wheat contracts were at new seasonal peaks. The December delivery was at its best level since July, 1929, and at its best since September, 1929, and July at its best since May, 1929. Wheat held on to a good part of its gains despite heavy profit taking.

At the close the bread cereal was 3/4-1 cent higher, December \$1.56 3/4, May \$1.55 1/2, rye was 3/4-1/2 lower, December \$1.13 1/4-1/4, oats were unchanged to 3/4 lower and barley was down 3/4-1/2.

Interest in wheat was aroused at the start on a news dispatch from Washington that the office of price administration was not at this time considering ceilings for hard wheat because the grain has not attained parity. After the market closed the department of agriculture reported Oct. 15 parity was \$1.47 while the national price was \$1.35.

This report on the OPA's attitude was considered encouraging because some grain men had feared ceilings might be set at parity minus deduction of benefit payments to farmers, as was the case with corn. Maximum for soft wheat, at about \$1.60 a bushel, is expected to be announced shortly.

## Oakville Growers Ship Bumper Crop of Prunes

ALBANY — Prune growers of the Oakville community, a few miles southwest of Albany, have completed the largest deliveries of prune crops in the history of the community. Some loss due to labor shortage is announced, but the loss from brown rot was very slight, due probably to the almost perfect weather conditions. The price scale, too, was considered to be the best in years. The price was set by the government which will use the larger part of both canned and dehydrated fruit.

Floyd Lamb, Ralph Gohde, Floyd Bulman and M. Burnap delivered approximately 8000 bushels to a Salem cannery, while Mrs. Susan Shepherd, George Millhousen, Bob Cole and Dr. Myers will ship some 110 tons of dehydrated fruit.

## Skating Resumes At Dallas Park

DALLAS — Skating is to be resumed Saturday night at the Dallas armory for boys and girls of this community according to A. V. Waters, chairman of the PTA recreational committee. Skating will start at 7:30 and is for boys and girls of all ages.

If arrangements can be made, a matinee for the younger skaters will be held in the afternoon of the same day as the night skates. Skating will be held once a week when it does not conflict with a home football game.

## Pletka Fills In At Scio Bank

SCIO — B. F. Pletka of Portland is looking after Scio State bank business during absence of Waldo DeMoy, who is hunting game in northeastern Oregon.

Mr. and Mrs. Glenn Philippi were in from Portland area this week, he bagging a deer in the south Santiam river region east of Cascadia.

Mrs. Callie Philippi is home from Salem, somewhat improved in health after several weeks' treatment at the home of her daughter, Mrs. William Ashby.

First examinations are due in Scio schools next week. Heavy rains in Scio during the last ten days have saturated the soil so that plowing and seeding may be resumed. Water courses in this vicinity have been swollen but still remain within their banks.

## Lewis Hough Honored While on Leave

AUMSVILLE — A family dinner honoring Lewis Hough, son of Mr. and Mrs. R. E. Hough of Aumsville, was held Sunday at the Cecil Pettit home in Salem. Hough left Thursday for Pocatello, Idaho, where he will join a division of naval officers in training. Mr. and Mrs. R. E. Hough and daughters, Cecelia and Evelyn, and son, Kenneth, also were guests at the dinner Sunday.

Guests at the home of Mr. and Mrs. Jerome Simpkins this week were Mr. and Mrs. Everett Hearing and sons, Arthur and Gerald, of Eugene.

## FSA Reopens Applications For Farm Buying

Marion county's farm tenant purchase committee recently took action to reopen applications for those interested in qualifying to purchase farms in Marion county under the Bankhead-Jones act. The committee is of the opinion that there are tenant farmers, sharecroppers or farm laborers in this county who are interested in the possibility of buying a farm under the program who did not know of the program when applications were previously being taken.

United States citizens who are farm tenants (not owners), sharecroppers, farm laborers or others who obtain or recently have obtained most of their income from farming are eligible for the loans. No loans will be made to persons who can obtain an adequate loan for the purchase of a farm from other sources at reasonable terms.

Applicants may apply at the Farm Security administration office at 460 North High street.

## Watts Removed From Oxygen Tent

CENTRAL HOWELL — Elton Watts, who has been critically ill with pneumonia at a Salem hospital, was taken from the oxygen tent Wednesday after having used it four days and is now definitely on the way to recovery.

## Profit Cashing Trims Stocks

### Late Support Reduces Losses, Enables Few Leaders to Show Gain

NEW YORK, Oct. 29 (AP)—Stocks generally were subjected to further profit cashing in today's market although late support reduced many early losses of 1 to 4 points and enabled scattered favorites to emerge on the topside.

Hesitancy was the rule at the start. Individual issues, however, were propped by actual and prospective earnings and dividends.

Liquor stocks, weak most of the day, rallied in the afternoon but failed to hold recoveries. American Distilling, for instance, was off 4 points at one time, converted this into a gain of 2 and ended off 1/2. Schenley was unchanged and National Distillers and Distillers Corp.—Seagrams down 1/2 each. Allied Mills, on the other hand, ended up 1 1/2.

The Associated Press 60-stock average, due partly to a fall of 4 points in J. I. Case on sales of only 500 shares, was off 4 of a point at 50.7. Of 81 issues traded, 391

## Funeral Set Sunday For Hughes

ALBANY — Funeral services for Lloyd Collins Hughes, 72, who died at his home in Peoria Tuesday night, October 26, following a heart attack, will be held under the direction of the Fisher Funeral Home, at 2 o'clock, Sunday, October 31. The services will be held from the Peoria Christian church and burial will be in the Pine Grove cemetery.

Born in Cloverdale, Ky., on June 4, 1871, Hughes spent the first 22 years of his life there, moving then to Bluegrass, Tenn., where he remained for nine years. In 1904 he came to Oregon, first making his home in Eugene and in 1923 moving to Peoria where he had since been engaged in farming.

On March 25, 1884, he married Martha Jane McCall at Creek's Run, Kan. She survives as do the following children: Fred T. of Ocean Beach, Calif., Stanley of Paisley, Rev. R. Hughes of Madras, Mrs. Alma Smith of Rochester, NY., Lloyd C. and Mrs. Robena

with most growers awaiting further crop and market developments before signing contracts.

Late estimates place the amount of 1943 Oregon hops in first hands at around 3000 bales. Contracting of 1944 hops probably totaled around 2000 bales in the past week.

## Wilson of Albany, and John Cecil and Mrs. Lorena Pearl of Peoria, He is also survived by two grandchildren and two brothers.
