6th Straight Loss Ukes Trowned By Navyators

By ROBERT THOMAS
LOS ANGELES, Nov. 6 (AP)—Del Monte Preflight defeated UCLA 26-7 today for the local's sixth straight setback. When the navy's cadet team was in the game it was a fairly even contest, but when the potent officer squad was playing it was plain murder for the Bruins.

UCLA surprised everyone by scoring the first touchdown against the less experienced navy students. After a Bruin drive Johnny Roesch, a Beverly Hills, California, boy just out of high school, slipped through tackle and put the Westwood team in the lead.

Then Coach Bill Kern put in his officer lineup. The older squad penetrated the Bruin line almost at will and had no trouble. Paul Christian, former Missouri great, and Len Eshmont, of Fordham were the principal ground gainers. Del Monte has lost only one game this season, that to College of the Pacific.

Eshmont was the main ball carrier for the Navyators, packing the oval twelve times for an average of 5.63 yards. After Parker Hall of Mississippi set up a touchdown by a 29-yard gallop to the 16, Eshmont plunged to the 6 and Christian put it over.

Ute 'Civvies' Nosed, 22-19

SALT LAKE CITY, Nov. 6 (AP)—Utah university's victory-less, all-civilian gridgers rose out of the gloom of their most dismal season in two decades to challenge Colorado's vaunted Buffaloes today, short and the visitors won, 22 to 19.

It was Utah's fifth straight defeat, the worst record since Coach Ike J. Armstrong took over here 19 years ago, but to the Indians' backers it was a moral victory. The Buffs, studded with Navy and Marine students, had been rated four to five touchdowns better than the Utes.

Ritchie Opines On Fisticuffing

PORTLAND, Ore., Nov. 6 (AP)—Willie Ritchie, who won the world lightweight title from Al Wolgast in 1912, blames today's fight fans for the lost art of boxing.

"The public is used to speed and it wants the fighter to speed it up," the California boxing inspector said in an interview. "The crowd doesn't care if it is scientific or not. It wants action. It wants a fellow to bang away."

"All the kids of my day could box scientifically . . . you hit and blocked, hit and blocked, but today the fighters don't know how to box."

Dayton Trips Junction City

DAYTON — Coach Don January's Dayton High Pirates took another stride in the defense of their state "B" football championship yesterday by notching an easy 22-6 victory over Junction City. The game was played on the Linfield college gridiron and was listed as part of the school's homecoming celebration. The win was Dayton's sixth straight this season.

Bowling 'Fumble-itis' Knocks Trojan From Unbeaten

(Continued from page 12)

university back, whipped a long pass into the end zone. Earl Platt jumped higher than two SC defenders and came down with the ball and a touchdown.

The Trojans fumbled themselves out of two scoring chances and then, in the second quarter, Quarterback Jim Hardy plowed through center and as he was about to be tackled, tossed da lateral to Center Bill Gray, who was all to himself, and he dashed 40 yards for the tying touchdown.

The Trojans outgained the navy, 209 yards to 120 in rushing.

The margin victory came in the third period and it followed navy's recovery of a fumble by Milt Dreblow, Trojan back, on his 32.

A pass from Bill Cadenhead, ex-Alabama freshman who was the game's outstanding ball carrier, was caught by Vern Miller of Colorado on the 12.

Here Ed Nelson, formerly of the University of Illinois, place-kicked between the uprights.

The Trojans had other scoring opportunities after this but their good passing attack, interrupted with sharp laterals and end sweeps, was stalled just as often by bad ball handling. Eddie Saenz who had been the most dependable ball packer for USC all season, was the goat today.

His first fumble cost his team a touchdown and another, late in the fourth quarter, set it away back in its own territory, and gave the Bluejackets possession.

"We have the best fumbling team in America," Coach Jeff Cravath of the Trojans said after the game, "but the best team won."

Molenda said he thought his boys were lucky to win but praised them for their great defensive stand in the fourth quarter that stopped the Trojans on the one-yard mark.

Aside from the Trojans' error of commission, they were guilty of questionable generalship several times. When they were only a yard away from what would have been the winning touchdown they tried to make a lateral pass and an end run—and it didn't.

In the absence of any official comment, it was believed that the Trojans' loss today would not affect their chances of going to the Rose Bowl, inasmuch as they won the Southern division championship of the Pacific coast last week.

In the past the winner of the Pacific Coast conference has represented the west in the Rose Bowl.

Dallas Dumps Amity, 32-0

DALLAS — Coach O. E. Anderson's powerful Dallas Dragons prepared for their annual Armistice day battle with Independence Friday night by smashing little Amity high's gridsters 32-0 on Kreason field. Dallas led at the half, 19-0.

The Dragons used three varied thrusts to notch scores—running, passing and pass interception. Herbert and Prescott bucked tallies in the first half and Osuna snared a pass for the third. Richardson galloped across for Dallas' fourth touchdown and then with seconds left to play Foster grabbed an Amity heave and trotted 30 yards to score.
