TO A MACHINIST IN THIS AREA

Ever see a locomotive driving rod or piston close up? Best steel there is. Same goes for other railroad equipment. And the men who keep 'em going are machinists who know their work's vital in this man's war. Now Southern Pacific has some swell openings for machinists at the S. P. shops. Top railroad jobs and as interesting as any you can name. (Railroading's that way. It gets into your blood.) Pay is good. Fine medical services. A real pension plan. If you want not any job, but a good job with a permanent company, look into this. We think you'll like working for S. P. Liberal age limits. Other good jobs open, too:
