

# Springfield 'Sensation' Prep Hoop Quints

By the Associated Press  
Springfield, a newcomer among the state high school basketball powers, continued today as the sensation of 1944 Oregon hoop play.

Beaten only by Salem earlier in the season, 31-26, the millers bowled over University high of Eugene this weekend, 35-15, to advance a step nearer the district 3 crown. Earlier the millers downed Junction City and Eugene.

Eugene showed strength of its own by going outside the dis-

trict to mow down Salem, 30-26, Friday night.

In southern Oregon Klamath Falls, defending state champion, edged nearer the district 2 title, defeating Medford, second-place team in the district, 33-25. In the same district Roseburg downed Ashland, 31-22.

Astoria, the fallen favorite, began to look like the Fishermen of old in downing Milwaukie, 27-19, in a non-district game. The Fishermen have still to reckon with Tillamook, a

team that defeated Taft, 40-33. Another district 5 contender, Rainier, swamped Scappoose, 51-30. Astoria holds a win over Tillamook this season.

Milton-Freewater held to the lead in district 1 by losing Hermiston, 30-19. Baker remained only a step behind, defeating Pendleton, 24-23.

McMinnville forged up in district 7, handing Newberg its first defeat of the season in Tualatin-Yamhill valley league play, 19-16. Newberg, however, still retained a slight lead.

first half whistle and Willamette was out front 26-25. So hot were the clubs that Oregon netted 10 goals in 33 tries, Willamette 11 in 36 for the period.

But playing two games in one night crept up on the 'Cats halfway through the final period—they were still out front 36-33 and the game was still sizzling—so started unravelling. With six minutes left Oregon took over 39-37 and outchased the tired Trottermen to the wire.

Fourteen 'Cats were used in this one, Plass and Folquet canning eight apiece to lead WU scoring. Big Bob Nail, from Moline, Illinois, swished 17 for Coach John Warren's Armyducks, and Bill Kulesh, the footballer, netted a dozen.

# Leslie Winter Sports Slate In Full Swing

## Jr. High Kids Battle Off Athletic Events

With the mixed boy-girl volleyball leagues just completed, the first round of the three grade handball tournaments just about over, the basketball leagues due to wind up in two more weeks, the final of the wrestling tournament in sight, and the Parrish-Leslie pre-varsity hop series in full swing, the winter intramural sports season is at its height now at Leslie Junior high.

The mixed volleyball saw 290 boys and girls participate on the 26 teams that made up six leagues and played 75 noon hour games over a period of six weeks. The teams were made up from roll rooms and all consisted of both boys and girls, the league being run off for noon hour recreation for the students who eat lunch at the school. Winners of the six leagues were: 7th B league, Red-Greens; 7th A league, the between Greens and Whites; 8th B league, Blue-Greens; 3rd A league, Greens; 9th B league, Whites; 9th A league, Faculty.

One-hundred-fifty-nine boys are signed up for the handball meet which will run for six more weeks. The first round is nearing completion in all three grade divisions. Wrestling matches have been staged every Tuesday and Thursday noon for the last three weeks, and on Thursday this week, the boys get down to the finals which will continue all next week before the champions are named in all of the 36 weight classes in the three grades. One hundred eight boys in all signed up for the grappling meet.

Races are extremely hot in the six intramural basketball loops with only two teams assured championships to date. The elephants, captained by Don Anderson, have sailed away from the first period crown, and Floyd Gartner's Hounds are assured first place in fifth period. In second period only two games separate the Wildcates, Jackals, and Leopards as they enter the final 10 days of play.

The Wildcats who have led all the way, must play both their close rivals within the next week. In third period the Lizards and Pythons are tied. Their last meeting slated for Monday, may settle the issue. In fourth period the leading teams are the Stags with 18 points, the Zebras with 17 points, the Bisons with 16 points, and Yaks with 15 points. Games between the four leaders probably will untangle the battle for first place this week.

In sixth period the Sharks led the Whales by two games with four tilts to play. There isn't one unbeaten team left in the six leagues, and only the Frogs, of the third period loop, remain victorious.

In addition to the intramural basketball, some basketball is being played in the gym three days per week at noon for non entertainment. Two games last week saw the ninth grade Golds beat the Whites 20 to 12 and the Greens beat the Blues 8 to 1. Seventh and eighth grade teams will play games this week.

The Parrish-Leslie games will continue Tuesday with the Leslie Wildcates playing the Parrish Hawks at 4:15 and the Leslie Panthers taking on the Parrish Grizzlies at 5 o'clock. Wednesday's games at Parrish pit the Leslie Lions against the Parrish Wolves and the Leslie Tigers vs. the Parrish Bears.

# Foundrymen Start Back To Work

SEATTLE, Jan. 22—(AP)—Northwest foundrymen who have been on strike started back to work today in scattered groups.

Although the vote of the northwest membership of the international molders and foundry workers union (AFL) which brought an end to the strike yesterday set Monday as the day all must return to their jobs, hundreds failed to wait for the deadline.

In Portland, Eugene, Tacoma, Seattle and other places workmen started back as soon as they heard of the vote. Denzil Halley, secretary of the Washington metal trades association, said that in Portland some even appeared for the late shifts Friday.

In Seattle, Webster Brinkley Machinery Company reported 65 per cent of its workers on the job today.

Neil V. Pardo, secretary of the northwest negotiating committee of the union, said the Oregon-Washington locals were drawing up their appeal to the national war labor board from the regional WLB decision which precipitated the strike. L. Presley Gill, union attorney, said the appeal would be filed Tuesday and it was hoped the open hearing on their demands would be obtained within two weeks.

# AFL Seeks Postwar Role

By JOSEPH A. LOFTUS  
MIAMI, Fla., Jan. 22—(AP)—An American federation of labor committee today urged labor representation on all national delegations with a voice in shaping the postwar world and said that to limit such bodies to government officials seems "highly undemocratic."

The AFL's postwar planning committee headed by vice president Matthew Woll, made public the first section of a report on which the federation executive council will act next week. Another proposal made by the committee is that labor attaches be assigned to the staffs of US ambassadors and ministers.

Asserting that this is a war against despotism which gains initial control by destroying free unions, the report said that "wage earners, therefore, have a very fundamental reason for asking for representation on the various agencies deciding postwar issues and policies."

Sailors are also sent to the naval hospital nearest their homes, providing the transfer can be accomplished at no expense to the government, Angell said he was told by Secretary of the Navy Frank Knox.

SUNDAY IN SHIPYARD—Huge cranes standing idle in the Bethlehem-Fairfield shipyard at Baltimore marked first Sunday holiday since war's start, on orders of maritime commission.

# CCC Loses Policy Power

By OVID A. MARTIN  
WASHINGTON, Jan. 22—(AP)—War Food Administrator Marvin Jones today stripped the \$3,000,000,000 commodity credit corporation and its president, J. B. Hutson, of important policy-making powers over the WFA's food production program.

Control lost by the CCC and its chief was divided between a new office of distribution, set up to replace the food distribution administration, and a newly created office of price, with the latter getting important farm price policy functions.

Under the WFA set-up wiped out by Jones, the CCC and Hutson had become the top ranking agency and official in food production aspects of the war food program. In today's order, the AAA, the FSA and the SCS regained the status of independent agencies, responsible only to Jones or his immediate assistants. Before the war, the AAA far overshadowed the CCC.

CORVALLIS, Jan. 22—(AP)—The federal land bank at Spokane will purchase \$500,000 worth of bonds to apply on Oregon's fourth war loan quota, Dean William A. Schoenfeld of Oregon State college said today.

Schoenfeld, chairman of the board of directors of the farm credit administration's 12th district, said President R. E. Brown of the bank informed him the purchase is part of an investment program extending through all states in the district.

The bonds will be credited to counties on the basis of the number of member farm loan associations, Brown said.

The US district attorney's office here announced today that the western defense command has suspended exclusion orders against Carl Labeledz, Portland machinist, and Albert Beyerlein, furniture worker who has been living at Denver, Colo., since he was ordered to leave Portland in October, 1942.

Labeledz, who lost a court test case against the western defense command earlier this week, had planned to leave for Boise, Idaho, today. Originally excluded last March, he returned from the mid-west last fall for trial on a suit to revoke his citizenship. The government dropped the suit. A similar suit is still pending against Beyerlein.

# Cavemen Fine War Bonds at Mock Trials

GRANTS PASS, Jan. 22—(AP)—A mock trial conducted by disguised, club-armed Oregon Cavemen set Josephine county \$140,000 ahead today toward its goal in the fourth war loan.

Under the eye of Cave Queen Ina Blakely, who turned up at the trial in a leopard skin, judge, jury and spectators were all fined too. Cheapest fine was a \$100 war bond.
