Scio Church Plans Meeting

Baptist Get-together To Be Held Thursday It Is Announced

SCIO — The Rev. V. L. Locke announced Sunday that a "get-together" meeting is to be held at the Baptist church February 10 at 7:30, when service men on furlough are expected to increase the crowd. Refreshments will be served and a program is planned.

Drenching rains have fallen in the Scio area during the last week and many water courses have been swollen but are still within the banks. Temperatures have ranged from 38 to 60.

Mrs. Callie Philippi is still confined to her home because of injuries suffered in a fall at her home last week.

Plans are well under way for the monthly meeting of the Scio Garden club, scheduled for late February instead of March 7 as previously announced.

"Gertrude's Uncle" is the title of the senior play to be given March 3. Mrs. Earl LaRowe, class advisor, is directing the play.

E. G. Rickard visited his brother, Paul Rickard, who was home on furlough.

"Youth Problems" will be discussed at Scio high school auditorium Tuesday night at 8 o'clock by C. C. Harwood. He held a similar meeting here a short time ago.

E. K. Burton Resigns Silverton Office

SILVERTON — The resignation of E. K. Burton, Silverton's city manager since July 1, 1941, was accepted Monday night by the city council, to take effect March 1.

After Burton had replied negatively to a question as to possibility he might reconsider, the motion to accept his resignation was made by Ernest Boesch and seconded by John W. Jordan and passed unanimously.

Burton was Silverton's first city manager following the change to the council-manager form of government. He came here from Marshfield where he had been city engineer. He intends to leave Silverton, he indicated, but otherwise has not announced his plans for the future.

The council voted to ask for bids on construction of a log crib dam on the Abiqua, and to call for specifications and plans for one and one-fourth miles of new water pipe, thus reviving a program which has lain dormant for a number of weeks.

Holgate Rites Are Tuesday

Two Woodburn Men Die During Weekend; Funerals Set

WOODBURN, Feb. 7 — Funeral services for James Leroy Holgate, 84, who died Saturday night in a Salem convalescent home, will be held Tuesday at 1:30 from the Ringo Funeral parlors. Burial will be made at the Odd Fellows cemetery in The Dalles.

Mr. Holgate was born September 10, 1859. He had lived 11 years on route 1, Woodburn. Survivors are two sons, Chester W. Holgate of Woodburn; Melvin Holgate, Portland; a daughter, Mrs. Lela Costo, Seattle; three grandchildren and five great grandchildren.

Lewis Henry Grassman

WOODBURN, Feb. 7 — Lewis Henry Grassman, 80, died at his home on the Pacific highway, Sunday morning. Funeral services will be held Wednesday following a 9 o'clock requiem mass at St. Luke's church in Woodburn.

Mr. Grassman was born March 1, 1863 in Churchville, Iowa. He had lived 38 years in Woodburn. Survivors include the widow; two daughters, Gertrude Lindken, Vancouver, Wash.; Louise Stone, Olympia, Wash.; four grandchildren and one great grandchild; a sister, Mary Briles in Iowa.

The rosary will be recited Tuesday night at 7:30 at the Ringo Funeral chapel. Burial will be made in St. Luke's cemetery.

King's Petition In PGE Suit Is Denied

A petition by Ralph King, Portland lawyer, to appear amicus curiae has been denied by Circuit Judge George R. Duncan in proceedings instituted by Portland General Electric company to restrain George H. Flagg, state public utilities commissioner from imposing an emergency order that would reduce company rates.

King, trustee of the Portland Electric Power company, will later have the privilege of filing a brief.

The petitioner, in requesting a friend of the court role, maintained that he possessed familiarity with "novel and vital questions" that would arise in the proceedings.

Lifting of a temporary injunction and dismissal of suit, with production of an amended answer filed by George H. Flagg, in proceedings against him and George Neuner, attorney-general.

The amended answer denies that the emergency order is unlawful or that it will suspend rates. He contends that rates occasioned by the order would be in lieu of present company resident and general service rates.

Cunningham Repudiates Confession

Harvey Cunningham, convicted Portland slayer, Monday repudiated a confession made two weeks ago that he previously had slain two negroes in Kansas City "just for the fun of killing", state police announced Monday following a talk with the condemned man in the state penitentiary.

Cunningham, a negro, in his about-face, maintained that he had not been near Kansas City on the date of the suggested murders, one of which tentatively was confirmed last week. The "victim" of another assault similar to Cunningham's description lived to tell of it.

Warden George Alexander hinted that the "confession" may have been intended by Cunningham to delay execution of his sentence, but declined further comment pending a more thorough investigation.

Cunningham is under sentence to die March 6 for the shooting of a Portland man last year.

Split Among Baptists Believed Not Serious

PORTLAND, Ore., Feb. 7 — The Rev. Bronwen Davies Clifford, Philadelphia, predicted that the recent split in Baptist ranks over the denomination's missionary program will not create a schism in the Northern Baptist convention. He said he believed the new conservative Baptist foreign missionary society will be accepted at the convention.

NO, LADY, AN ALLIGATOR PEAR IS NOT A COUPLE OF CROCODILES!

CALAVO means QUALITY in AVOCADOS (Alligator Pears)

Out here in the West Alligator Pears are known as Avocados, and some of the finest in quality are stamped by the brand name—CALAVO. You either like avocados or you don't. But you have to try one to find out. Those who like avocados are "crazy" about them. When ripe, the flesh is soft and buttery, salted a little, the flavor... swellegant!

Rich in Vitamins A, B1, C and G; fair source of D and E.

Yes Ma'am! Safeway Sells Genuine CALAVO AVOCADOS—lots of grand ways to enjoy them!

As a Salad—delicious! On the Half Shell—Swell! As a Spread—perfect! PRICES ARE LOW, TOO!

LEFT TO DIE!

THIS IS A CHILD OF EUROPE. She was left behind when our armies moved up last night and the Nazis retreated. There she lay, terror-stricken in the screaming confusion. Hurt and helpless. If an Army nurse hadn't found her and treated her with life-saving sulfa, she would have died.

To make these sulfa drugs, as well as gunpowder and other battlefield essentials... we need glycine. We need it badly because our imports are cut down, our demands so very high. But you, the American housewife, can supply it, by saving every drop of used cooking fat. Save it in a can, not glass. Any sort of can will do. When the can's full, rush it to your meat dealer. It's needed so urgently that for every pound of fat you turn in, he will give you 4¢ and two meat ration points, free. Start saving your used fats now to make the medicinals and the shells and bullets our men must have to fight this war to a finish.
