

### Spring 'Cap Third Round Closes Tonight

Four more mauling wavers advanced to the Salem Golf club's Annual Spring Handicap quarterfinals yesterday, and as many more dropped by the wayside as Glen Lengren tipped L. L. McLaughlin 1 up, Bob Powell eliminated Lee Estey 2 and 1. Defending Champion Lawrence Alley downed Dave Eyre 3 and 2 and George Seales needed out Dr. C. E. Bates 1-up on the 19th hole. The bal-

ance of the third round matches will be played off today, deadline tonight. Lengren's win tosses him against Walt Cline, Jr., in the quarter-finals, Alley's puts him in the same place and against Powell and Seales' nod earns him a quarter-final match with the winner of the John Graham-Jack Nash match today. The winners of the Bill Goodwin-Bert Thomson and Vic

Convey-Scotty Marr sessions today will also meet in the quarter-finals next week. Three more consolation bracket matches were also decided yesterday, John Emlen eliminating Bud Thrush 2-up, Earl Payne winning over Ted Chambers by default and Rex Kimmell taking the nod over Keith Powell by the same method. All first round consolation also.

### Four Records Broken in 7th Hayward's Meet

(Continued from page 12)

Roosevelt was leading with 12 points. Jefferson was second with 11 and Salem, by virtue of two seconds, a tie for second and two thirds, was closed behind with 10 1/2. But there was no catching in the Jeff quartet of slick quarter-milers, George Thompson, Clement Kemmer, Don Farmer and Ray Sering—they pulled across yards and yards to the good. Little Scappoose high, entering this event alone with four capable quarter-milers, came in second. The Viking quartet of Art Englebart, Bob Macy, Jim Jones and Benny Lambert might have made

it second were it not for a dropped baton on the first pass. That cost 'em from 10 to 20 yards, and Sophomore Lambert, running a great race, had to pull up from seventh place after he grabbed the stick to finish third. Dryman had a clock on Lambert's 440, and despite his being a professed and good quarter-miler he sped the quarter in :52 flat, remarkable time.

The Vils, figured no better than a fourth or fifth today, also surprised by the high jump relay by tying with Klamath Falls for second place behind Jefferson. They also grabbed off a second in the distance medley behind Jefferson's record-smashing trip and in the 3-mile relay just 10 scant yards behind winning Franklin. Thirds came in the shot put relay and mlie, in the former Mel Hellecker, Eugene Lowe and Tom Beard all bettering 40 feet. The Salem 440-yard four-man relay team grabbed a third in the first heat of that event, but the :46.2 time of Myron Cavender, Willie Bach, Dave Getzenander and Bob Weber was 1/10th of a second off for the ultimate fourth place in the finals after the second heat was run.

### Pre-War Sports Days to Return Poll Indicates

NASHVILLE, Tenn., April 29 (AP)—Replies to a poll of approximately 150 college and university presidents throughout the United States showed 106 believing that inter-collegiate athletics in general will return to their pre-war status when peace returns while 21 said they did not expect such a return.

Twenty-two who replied to the questionnaire circulated and tabulated by A. Thur L. Brandon, director of the Vanderbilt university news office, in his capacity as research vice president of the American College Publicity association, said they had special committees now studying such matters as athletic subsidization, scholarship and so-called emphasis on intercollegiate teams.

West of the Mississippi only two presidents, one in a state university and one in a small private college, indicated a belief that sports between colleges will not revert to their pre-war status.

All but two of the heads of the 22 state universities who replied said they expect a return to the same emphasis on intercollegiate athletics. One said he did not and the other said he had no opinion. Teachers college presidents voted their belief in a return to pre-war conditions 14 to 2 and municipal university heads were on the same side of the poll by a 6 to 1 vote.

### Freshman Star Of Drake Relay Performances

DES MOINES, April 29—(AP) Illinois' sensational 17-year-old freshman, Claude "Buddy" Young, became the work-horse of the Drake relays today by engaging in four smashing triumphs.

The stocky, powerfully built negro, competing in his first major outdoor competition, defeated seven rivals in the 100-yard dash with comparative ease, captured the broad jump and ran as anchor man in two of the four relays Illinois won.

Young first won the broad jump with a leap of 22 feet, 4 1/2 inches and then captured the 100 in 9.8 seconds. Although handicapped by lack of outdoor practice, he made a show of his field in the centry, which he ran for the first time as a collegian. Illinois used only seven men in winning four relays and two individual championships.
