Stocks Finish Strong Week

NEW YORK, May 6-(AP)-On the best Saturday volume in a month, the stock market today finished a relatively strong recovery week with a slight tendency toward irregularity.

While liquors and scattered specialties climbed 1 to more than 2 points in the final session, profit taking and trimming of accounts for weekend insurance stemmed the rising tide generally.

The Associated Press 60-stock average was unchanged at 51.9 but for the week showed a net advance of .8 of a point. The industrial composite during the sixday stretch gained 1.4 points and had not suffered a losing session since April 24. The total of 330,-810 in today's session compared with 245,630 last Saturday.

Peaks for 1944 were reached today by Park & Tilford, Austin Nichols common and preferred and Atlantic Refining. Modest plus signs were attached to Dunhill International, Chrysler, US Steel, Texas Co., Sears Roebuck, International Harvester, Du Pont and Douglas Aircraft. Losers included Santa Fe, Southern Pacific, Bethlehem, Anaconda, Goodyear, Montgomery Ward, American Can and J. C. Penney.

VFW Auxiliary **Plans Convention**

SILVERTON - Mrs. Charles Hartman presided at the Wednesday night meeting of the Veterans of Foreign Wars auxiliary at the armory. Mrs. Theodore Grace served as secretary, as Mrs. L. E. Standard, regular secretary, was ill. Applications were received for memberships and will be acted upon later. Announcement was made that the department encampment will be held at Portland June 15 to 18 inclusive. Election of delegates to this will be held at the May. 17 meeting.

The Penny Fund prize was won by Bernice Grant. The play, "The Hat Shop," was presented by the Royal Neighbors and a no-host East Side Market luncheon was served at the social

Mrs. Hartmen also announced that the department meeting would be held late in May at Portland when the president, Mrs. Amelia C. Kane, would make her official visit. Some local members of the auxiliary plan to go to Portland for the occasion.

Red Cross Sewing Suspended Until June

WOODBURN - No more sewing will be given out until after June 1, Mrs. Lyman Shorey has announced. The sewing rooms will be closed until that date, when the summer quota for Red Cross work is expected.

Women who have taken out work to do at home on the spring quota are asked to complete it and leave it at the Evenden drug store. Kit bag contributions are Portland Produce still needed, and those, as usual, may be paid to Mrs. Fred Evenden at the drug store.

Proposed New Air Routes

Highlight of a pre-hearing conference before the civil aeronautics board in Washington, DC, April 27, was the disclosure by Southfest Airways, one of the nation's pioneer feeder airline applicants, that its original Pacific coast application had been amended to request the routes shown on the above map. System also extends throughout California, providing passenger, mail and express air service to 5½ million people in 252 cities, 95 per cent of which now lack direct air service. The board is expected to hold formal hearings on Southwest's application about June first. Specially designed twin-engine aircraft, carrying from 10 to 12 passengers and 800 to 1000 pounds of freight are to be used on all routes.

Grain Trading Features Rye

CHICAGO, May 6-(AP)-Pressure against the May rye contract again featured grain trading today, causing uneasiness in other cereals. Wheat and oats were off only small fractions and Decem-ber rye exhibited relative Ward's monthly payment strength, closing 1/2 higher. Trading was heavy in rye and light in other grains.

At its low May rye was down more than 5 cents from the peak scored early yesterday, when the delivery hit a new three month high. The contract staged a minor rally before the close but finished 21/8-23/6 cents off for the day. Selling came from both cash interests and commission houses with eastern connections.

May wheat, oats and barley were unchanged at ceilings. Active wheat futures closed unchanged to % lower, July \$1.69%-%, active cats %-% lower, July 78%, and active barley unchanged to 1 cent lower, July \$1.231/4. Rye finished 2% lower to % higher, May \$1.27%-%.
