

GRANDMOTHER'S BOND WITH THE FUTURE *-WAR BONDS*

..for your grandchildren,
the best in the world!

ORDINARILY, age brings certain privileges. One of the greatest of them, perhaps, is that of watching, from the sidelines, the growth and progress of our children's families.

Certainly one of the rewards of being a mother is becoming a grandmother—able to enjoy our sons' and daughters' children to the full, while leaving the responsibility for them in other hands.

The war, which has changed so many things, has changed this too. When the war took our sons—when it broke up our children's homes—it gave back to America's grandmothers responsibilities which we had passed on long ago. The privilege of growing older quietly has been denied the women of our generation while this war lasts.

For today, our grandchildren need our help. And it is in our power to give them greater help, perhaps, than any grandparents ever gave before.

We can give this help by buying War Bonds and Stamps—for our children's children. And no other single thing that we can do will help so much, or in so many different ways.

Every dollar put into War Bonds now does many all-important jobs today—and will do many more in the future.

War Bonds can help to bring fighting fathers back to their families next year—the year after—as soon as possible. War Bonds can provide those families now with aid in case of illness or emergency. War Bonds can help assure an education for a boy whose father comes back crippled—or does not come back at all. War Bonds can help to guarantee a busy, prosperous America for our sons when they return—an America in which our grandsons can find all the opportunities they need to lead the fullest, happiest lives in all the world.

The Grandmothers' War Bond League is simply a way of recognizing and uniting the millions of American grandmothers who are today buying War Bonds and Stamps for their grandchildren. Every one who buys a Bond or Stamp in a grandchild's name automatically becomes a member.

Join the Grandmothers' War Bond League today!

The Grandmothers' League was founded by Mrs. George C. Marshall, wife of the Army Chief of Staff. It is not a formal club. It is simply a roll of honor which grandmothers automatically belong to when they buy bonds, or start stamp albums, for their grandchildren. Mrs. Marshall urges every grandmother in America to help the fighting men today... and their children tomorrow, by joining the Grandmothers' War Bond League.
