Cloverdale Acts On School Budget

CLOVERDALE—The annual school meeting was held Monday evening at the local school house, with a very small group in attendance. The school budget was read by the clerk, Mr. Carl Booth, and later accepted and approved by a vote.

The clerk was rehired for the following year, thus leaving one new director to be voted in to take the place of the outgoing chairman, Mr. Karl Wipper, who refused to run again. Mr. Floyd Pence was put in as the newly elected director, to serve for a period of three years. Others on the board who were carried over from last year are Mr. John Petersen and Mr. Sam Drager.

Wheat, Rye Prices Drop

CHICAGO, June 20 (AP)—Wheat and rye futures prices declined today on news that a parity price provisions has been eliminated from the price control extension bill.

After heavy selling at the opening, trading was limited and there seemed to be no inclination to broaden the downward trend.

Early losses in wheat and rye ran two cents and more. Rye showed some rallying power, but wheat displayed little. Oats were weaker with wheat and rye. Barley as irregular.

The market's lower reaction at the opening came on a report that senate-house conferees had junked the Pace amendment to the price control extension bill. The amendment would have penalized processors who did not pay parity prices for farm commodities. Government crop loans now are made at 85 per cent of parity.

Wheat closed 1 1/2 to 2 1/2 cents lower than yesterday's close, July 1.57 1/2-3/4. Oats were 1/2 to 3/4 lower, July 75 1/2. Rye was off 1 1/2 to 1 3/4, July 1.06 1/2-1.09. Barley was 1/2 lower to 3/4 higher, July 1.22.

Weather reports were mostly good from the harvest sections of the winter wheat belt. New wheat marketing continued, with large receipts at Enid, Okla. Reports said the acreage yield and quality of the grain were high.

Good crop weather also was reported for the spring wheat areas of the United States and Canada.

Stocks Show Steady Tone

NEW YORK, June 20 (AP)—An early reaction in steels, motors and rails upset the stock market's bullish rhythm for a time today, but stepped-up buying in the final hour gave the closing list a steady tone.

Amusement shares, farm equipments, utilities and specialties had consistent support throughout.

The Associated Press 60-stock composite was unchanged at 55.8, a seven year high. The utility average advanced 2 of a point to 37.5, a new peak for the year. Transactions totaled 1,618,970 shares compared with 2,370,080 yesterday.

US Steel and Bethlehem retrieved their early losses to close unchanged. Chrysler was down 3/4 and General Motors 1/4. Du Pont dropped 2 1/4 and moderate declines were registered by Goodrich, Goodrich Douglas Aircraft and Atlantic Coast Line.
