

**What's behind us?**

**HURRY UP, AMERICA! GIVE HIM YOUR ANSWER!**

*the Fifth War Loan Drive ends July 8th!*

**AMERICANS!**

You in the factories. You in the offices. You on the farms. You in the homes.

You cannot—you *must not*—fail to get behind your fighting man in this supreme, heroic hour.

He knows what's ahead.

Bloody, bitter fighting... superhuman toil... hardship, ... pain... perhaps death.

He's facing it. He'll keep on facing it, as long as there's breath in his body and blood in his veins.

But he wants to know *what's behind him*.

And you have *only a few days left* to give him the answer.

That answer will be written in the final figures on the Fifth War Loan Drive.

For this is the crucial, the all-important Drive. Never has the need for War Bond buying been so great.

To make the Drive a success, you—and everyone else—must buy at least *twice as many Bonds* as you bought in the last drive.

If you haven't yet bought your full share, **DO IT NOW!** The time is short! Make **YOUR** supreme effort in **HIS** supreme hour!

Remember—a soldier, *your* soldier, is waiting for his answer.

What will it be... from you?
