# Ice Cream Cut Due August 1

WASHINGTON, July 26 -(P) For Holidays still further August 1.

The war food administration turers will be limited to 65 per cent of the milk solids used in the corresponding months of 1942. During the past three months quotas were 75 per cent.

This reduction reflects a seasonal decline in the output of milk. Ice cream made after August 1 also will be less rich than that May-July period.

# Harold Olson **New Manager** Of Industry

WASHINGTON, DC. July 26-Appointment of Harold Olson, Pacific northwest newspaperman, as western manager of the American Forest Products Industries, Inc., was announced here today.

Olson will open offices in the Yeon building, Portland, but his field of operations will cover the Douglas fir and western pine regions of eleven western states.

American Forest Products Industries, Inc., is an organization of logging, lumber, plywood, pulp, provisions of the order." paper and allied industries, and is concerned chiefly with problems crops of timber.

Olson is now in Washington, DC, but will return to the west within a few days.

### Dogs Kill Turkeys In Middle Grove

MIDDLE GROVE - Grant Spires lost two more turkeys, killed by dogs early Monday morning, bringing the total thus far to 19. The dog was unafraid having brought its first catch under a window at the Carl Snyder a window at the Carl Snyder home and when accosted dropped Drops Market it and returned to the flock for another before the owner could be aroused.

## No One Injured When Car Leaves Highway

MIDDLE GROVE - A car in which four Silverton young people sales. were returning from Salem Monday about 12 p. m., left the road and went into the ditch near the Charles Kurth place. It is believed the driver fell asleep.

The first aid car was summoned None of the occupants were seriously injured but the car was trade was small and hedge selling slightly damaged.

Feather-weight balsa wood, imported from Costa Rica, Nicaragua, Guatema'a and Ecuador is used for life rafts, mine floats and life preservers.

# **Turkeys Will** Be Available

There will be no total embargo on turkeys for the civilian popuannounced today that manufac- lation during the next few months, but the fowl won't be very plentiful until after military regiurements for the holiday season are met, it is announced by C. R. Tulley, Oregon representative of the Office of Distribution.

All old and new crop turkeys produced and marketed in Oregon made during May, June and July. the nation are governed by war and 26 other producing areas of Maximum milk solids content of food order No. 106, effective July frozen dairy foods will be 22 per 17, which requires processors to cent compared with 24 during the set aside 100 percent of all turkeys for procurement by Army Quartermaster Market centers.

Tulley explained that "turkeys placed in storage prior to July 17 are not affected by the order and can be sold in civilian channels. Birds not meeting army QMC specifications automatically will revert to civilian trade channels.

"Any owner of less than 25 birds, located on a farm more than 100 miles from an authorized processor, may apply for release to the dairy and poultry field representative, Office of Distribution, 821 Market street, San Francisco,

If the release is granted, these turkeys may be sold for local civilian consumption. However, if released turkeys are later sold to a turkey buyer or authorized processor, they are again subject to

In Oregon and Washington, processed turkeys will be purchased of reforestation as part of a na- by the officer in charge, Quartertional program for perpetuating master market center, attention master market center, attention poultry section, 228 National building, 1008 Western avenue, Section 4 Week Western avenue, Section 4 Western avenue, Section 5 Section 6 Section 6 Section 7 Section 7 Section 7 Section 7 Section 7 Section 8 Sectio Seattle 4. Wash.

A larger crop and increased military requirements will have the effect of giving civilians about 3

was light.

At the close wheat was unchanged to 1/4 lower than yesterday's close, September \$1.55%. Oats were off 1/4 to 1/2, September 7134-58. Rye was 11/4 to 15/8 lower, September \$1.061/4-%. Barley was off 3/4 to 1, September

# Stocks Have Irregular Day

NEW YORK, July 26 -(AP)-Stocks moved ahead for a time today, lost their steam and finished irregular with changes generally narrow.

The advance stalled at the end of the first hour or just about the time Wall street heard that a huge block of Rockefeller holdings of Standard Oil stocks would be distributed by secondary offerings tomorrow. Standard Oil (NJ) of which 2,000,000 were scheduled for sale by this means, dropped I point.

The Associated Press 60-stock composite was unchanged at 54.8. Transactions totaled 828,995 shares compared with 831,423 Tuesday.
