

Oregon Republican Rally Will Be Held in Portland Aug. 19

The republican rally which will conclude an organization meeting of the state central committee and a gathering of affiliated party organizations here Saturday, August 19, will be held in the sunken ballroom at Masonic temple at 8 p. m., with United States Representative Everett M. Dirksen of Illinois as the principal speaker.

Committee appointments and plans for the convention-type session were made at a meeting of party officials last week.

The new state central committee will open its meeting at the Portland hotel at 10 a. m. and in the afternoon will conclude with election of officers. No opposition to reelection of State Chairman Niel R. Allen of Grants Pass has yet appeared. Other officers are Mrs. John Y. Richardson of Portland, vice president; Kenneth Nielsen of Eugene, secretary; and Howard M. Wall of Portland, treasurer. Carl Moser of Portland is executive secretary.

Club Will Meet

Oregon Republican club will also hold a meeting of their state executive committee to make plans for membership campaign and their annual convention to be held in September. Executive committee will convene at 10 a. m. in the Portland hotel.

Social events will start Friday night, August 18, with a reception from 8 to 10 at the Morgan building headquarters of the Multnomah county republican central committee. Mrs. Richardson will have state and congressional committeewomen, vice-chairman and women guests of the convention to breakfast at her home at 8 a. m. Saturday.

No-Host Lunch

Multnomah chapter of the Oregon Republican club will sponsor a non-host luncheon at the Benson hotel at 12 noon Saturday. Mrs. George T. Gerlinger, republican national committeewoman, will be hostess at a tea for all republicans at her residence from 3 to 6 p. m. Sunday.

Members of the congressional committees of the state central committee for the 1st, 2nd, and 3rd districts will meet their congressional representatives at the Portland hotel Saturday and lay plans for the fall campaign. Sen. Guy Cordon and Senatorial Nominee Wayne L. Morse, and Representatives James W. Mott, Lowell Stockman, Homer D. Angell and Harris Ellsworth will have prominent parts on the convention program.

Committee appointments for the convention are: General chairman, Niel Allen; finance, Howard M. Wall; keynote and reception, Ralph H. Cake and Mrs. Gerlinger; distinguished guests and invitations, Mrs. Richardson and Nielsen; publicity and special events, Ray Carr and Alan Brown; registration and information, Mrs. L. L. Riggs, Mrs. Bert Heitschmidt and Emilie Eisenhauer; transportation and program, Lofton Tetum and William Theil; halls, seating and attendance, Donald R. Van Borkirk and Mrs. Charles A. Johns; decorations and ushers, Mrs. Fred A. Kribb.

Communities Needed To Help Harvest Hops

CORVALLIS, Aug. 3-(P)-Communities near western Oregon hop centers will be called upon to help alleviate a critical labor shortage when the hop harvest opens about August 15, J. R. Beck, extension farm labor supervisor at Oregon State college, said today.

Beck said the hop harvest will see the heaviest labor demands of the year, while applications for jobs and housing facilities at the yard are fewer than last year. Mexican nationals will help out, he said, but many other workers will be needed.

One of the heaviest hop crops in years has been forecast.

Zirconium, little known before World War II, is being used as a substitute for scarce tantalum in some war products.

Rent Control Will Go Out At War's End

WASHINGTON, Aug. 3-(P)-Price Administrator Chester Bowles said tonight that with return of normal conditions "rent control must be eliminated."

"As quickly as wartime conditions permit we must do away with all unnecessary regulation and leave tenants and landlords free to make their own arrangements," Bowles said in an address prepared for broadcast.

The OPA chief said he was convinced that the changes "congress recently made in the price control act" will not raise rents generally nor in any way endanger rent control.

One change requires that an adjustment must be made in a rent ceiling if it is substantially below that for comparable dwellings because of "peculiar circumstances." Another amendment provides for an adjustment where an "unavoidable increase in operating costs and taxes creates a substantial hardship" for the landlord.

Oregon Faces Serious Truck Tire Shortage

PORTLAND, Aug. 3-(P)-District OPA officials expressed doubt today that 1318 heavy truck tires are available to meet the state's August allotment and called for a weekly census of new and used truck tires in the hands of Oregon dealers.

Purpose of the census will be to determine availability of the tires before purchase certificates are issued. The fact that 100,000 un-redeemed tire certificates are now in circulation was revealed recently by the war production board.

Appointment of two Willamette valley men to the agency's truck tire advisory committee also was announced today. They are Herbert Cox, Eugene, secretary of the West Coast Lumbermen's association, and Robert Taylor, Corvallis, a member of the war food administration's triple-A division.

33 Portland Service Stations Break Rule

PORTLAND, Aug. 3-(P)-Thirty-three Portland area service station operators were warned by the district OPA today that suspension orders will be issued if they accept any more gasoline coupons before they become valid. Roth Keller of the district's enforcement staff said two operators have been ordered to suspend business for the duration on charges of ration violations.

Many Never Suspect Cause Of Backaches

This Old Treatment Often Brings Happy Relief When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness.
