Breakfast Is a Handy Time for Informal or Formal Entertaining

By MAXINE BUREN

One of the very smartest ways to entertain these days is with a breakfast. Fortunately it's a rather practical way too. One gets one's entertaining off the hands early in the day. One can entertain informally, even the most formal of guests. Most people are easily entertained in the morning, there's so much to talk about.

Breakfast entertaining is a good time to show the best colorful linen and unusual dishes. It's a good opportunity to show off your best cooking too.

The time of day the meal is served counts for something when it comes to breakfast parties.

Here is an idea for a menu for a 9 o'clock breakfast. It will be informal, because it is to be self service. Furnish colorful trays and let the guests select their own food.

BREAKFAST AT 9

- Assorted fruits and cereals (Guests make own combinations)
- Jug of milk
- Brown or white sugar
- Scrambled eggs with chives
- Bran muffins
- Jelly
- Coffee

A smart idea for serving the cereal is to place it in a large tureen, accompany it with a selection of sweets and fruits.

BREAKFAST AT 11

- Tomato juice cocktail
- Bacon curls
- French omelet
- Apple sauce
- Hot biscuits and honey

BREAKFAST AT NOON

- Sherbet filled cantaloupe
- Creamed mushrooms in Dresden patties
- Toast fingers
- Coffee

Dresden patties are made by cutting thick slices of bread, scooping out the centers, to make cases, dipping in egg and milk and frying as for French toast.

Cannery Opened During Week

The community cannery will be open all day Monday and Wednesday of next week and on Tuesday and Friday from 6 o'clock until the work is done.

Vegetables, fruit and tuna are being canned. Those wishing to use the facilities of the cannery should make appointments by telephone.

Today's Menu

Tuna vegetable salad sandwiches will make the main dish for dinner tonight. A salad sandwich is a typical mid-summer dish suitable for warm or not-so-warm evenings.

- Cream of celery soup
- Tuna vegetable salad sandwich
- Carrits with chives
- Fresh plum pie

Make salad of tuna, young cabbage chopped, pickle relishes, an dother preferred ingredients. Put between slices of buttered bread, cut into fourths, lay on end and garnish with olives, pickles and tomato slices.
