1860 Pairs Famous Brand STOCKINGS

51 Gage Sheers

85c PAIR

- 45 GAUGE 75c pr.
- 42 GAUGE 71c pr.

For Miller Days we wanted a fine bargain in women's sheer and semi-sheer stockings that we could advertise as something good, something difficult to obtain regularly and one that our customers would recognize as a real value... and a beautiful hose. We purchased the stockings from a famous stocking farm with the admonition not to advertise them under their brand name because the stockings were irregulars of their first qualities.

We'll leave the rest up to you... if you don't recognize this famous brand... we won't tell you! It's a big bargain with plenty of sheer sheers! They're long, short and medium lengths, too.

ALSO:

A back-to-school special in serviceable mesh stockings in good quality rayons. Regularly \$1.50 pair. See these in the hosiery department today and Saturday during the two Miller Days. Main floor.
