it's Paavo "King Kong" Katonen with the headache today-his Finnish pate isn't nearly as hard as the one belonging to the "Grey

But before Paavo went down and out in his main heat with the hooded heel at the armory lightheavy rassles last night, he three times tried to show the clients his beetled brow was the toughest in the butting bee. But three times Paavo failed and finally Mr. Mask who has yet to lose a single fall since coming to the northwest torso twisting circuit, put the clincher on the Finn with a series of his own belfry bonks. It was a great show the 25 minutes Katonen lasted. He couldn't stagger back after the first fall.

The three times he tried outbutting the shrouded meanie failed to even bat one of the winner's eyes. The guy must have a hard head or nothing inside it to hurt. Toothless Toughie Porter, the

bald - headed Seattle native who isn't called Toughie for nothing, got too tough for Jack "Pin-up Boy" Kiser and Referee in the first main event and the people's choice came up with the final duke via foul. Kiser had taken the first fall the easy way when Porter, in a mediocre hold, forgot to lift his resting shoulders off the mat when Olson tolled "three." But the meanie came back to tie it by squeezing an "uncle" from Kiser with an arm bar. Then in the finale he got far too rambunctious with the kicks and clouts, Kiser copping it.

Duration League Footballers Applying Final Touches for Friday's Opener

WOODBURN - With preliminary practices stepped to top tempo the final week, four of the five Duration league football playing members are awaiting the 1944 season openers next Friday afternoon. Those openers see Canby's Cougars go to Silverton and the defending champion Woodburn Bulldogs host the Chemawa Indians, Molalla's Buckaroos, waiting to gallop under a new coach this year, Ellis Paulette for Burton Burroughs, draw a bye and will open at home against Chemawa the following Friday. Still smarting from the 29-0 shellacking absorbed at the hands of the Trojans in the Rose Bowl last New Years, Coach Ralph (Pest) Welch wants just one thing out of this year's season.

Detroit, Brownies Win, Stay in Knot

The American league pennant derby held its hotter-than-afirecracker pace Tuesday as the Detroit Tigers and St. Louis Browns won their ball games and remained in a deadlock for the top place. Detroit, behind Paul "Dizzy" Trout's 27th victory of the season, whitewashed the Philadelphia Athletics, 6-0. The win, in

the afternoon, gave the Tigers a lead in the chase.

But the Browns battled their way to the tie in a night game at St. Louis by taking a close 1-0 victory over the Boston Red Sox. Sigmund Jakucki bested Mike Ryba in the battle and had the winning run scored for him in the first inning. Ryba limited the Browns to but four hits while

Jakucki issued five. The New York Yankees stubbornly clung to their mathematical chance of winning the torrid race by blasting a 9-5 victory over the Chicago White Sox at Chicago. The Yankees are three games behind the leaders with but five more to play. The Yanks salted their win away with two big innings, the four-run fifth and the three-run sixth to bring Bill Zuber the victory.

The Tigers slammed two Philadelphia hurlers for 13 hits and put the game away with three runs in the third and two in the fourth. Trout, "Mr. Right" of the Tigers' two-man pitching staff, llowed but six hits.

In the case of Staats, who along with Cross was one of the league's leading hitters, it seems the Brooks are interested enough to talk contract when he finishes prepping at SHS. At least the letter he received from Downey indicates such. Downey Segura Sweeps

Whether the two juniors eventually go Brooklyn or not makes little difference. It's up to them. But the fact that both were able, through development in the village league, to produce favorably enough to invite Brooklyn attention is of importance. The fathers of the league now know that they have fostered at the very least a successful means by which kids with baseball intentions can blossom

Post-War Senators Can Also Catch Boat

The importance of such recognition to Staats and Cross by the Dodgers should also act as an eye-opener to Mrs. Geo. E. Waters, whose generosity with the big ball yard was also a helping hand. In giving such a place in which the kids can develop, the opportunity of taking on those kids for her post-war Senators is automatic. For instance, should the Western International leaguers have been openating last summer, there was little which said Mrs. W., instead of the dgers, would have talked contract with the potential stars of tomorrow. There will be others in years to come.

Of course this is speaking strictly from the professional angle and says nothing of the juvenile delinquency stymie, the opportunities for additional physical fitness, good sportsmanship, teamwork and friendships also provided by the league. But knowing that at least two of its players have been recognized by a major league team will certainly tend to make next year's circuit ultra-popular with the
