Hop Markets Remain Firm **During Week**

PORTLAND, Sept. 29-(AP)-The week ending Sept. 27 saw Pacific coast hop markets remaining firm, with prices tightly wedged at the OPA ceilings, the war food administration said today.

In Oregon, harvesting of the 1944 hop crop was almost completed and baling was well along. A labor shortage was reported by some custom balers. No new developments took place at hop mar-

Dealers were making shipments to the east as quickly as possible, and as fast as baled hops were available deliveries on contracts were taken. Principal source of new transactions, which were light, was small overages on existing contracts, mostly to the first contract holders. The WFA predicted few new transactions during the rest of the season, since most of the hop crop in Oregon is already under contract.

Hop yields were generally in line with earlier expectations, and growers reported a crop of good quality. Full ceiling prices prevailed in markets.

Official grade determinations for Oregon: 116 lots of hops showed an average leaves and stem content of 7 per cent, with a high of 14 per cent and a low of 2 per cent. In seed content, 94 lots graded 6 per cent or over; 8 lots, 5 per cent; 2 lots, 4 per cent; 3 lots, 3 per cent; 2 lots, 2 per cent, and 1 lot, 1 per cent.

Rumors Help **Grain Market**

CHICAGO, Sept. 29 - (AP) - Rumors that the government planned to raise wheat price ceilings affected grain futures market today and wheat and rye were strong in a brisk trade. Oat and corn were as much as three-quarters of a cent higher at the close and barley also held fractional gains.

Profit taking developed on the bulge in wheat and prices fell back about a cent as buying paused.

1/4 to 3/4 higher. December 621/4-3/4. Rye was 11/2 to 21/2 higher, December \$1.05-1.04%. Barley was unchanged to 1/2 higher, December

Morse Raps Class Lines

ASTORIA, Sept. 29-(AP)-Wayne L. Morse, republican nominee to the US senate, today condemned political parties set up on class lines as a threat to democracy.

"If our political parties ever become aligned on the basis of a labor party vs. a business men's party-or a conservative vs. a liberal party-politics will be fought on the basis of class consciousness", he told an audience here. "And a class conscious struggle breeds a revolution."

His appearance here came just one day after a speech by Edgar Smith, his democratic opponent for the senate seat.

Mrs. Strain Property Recently Transferred

MONMOUTH - Another real estate transfer recently completed by A. F. Huber is the sale of Mrs. Virginia Strain's house with one acre of land on South Monmouth

By Quinn Hall State Welfare Sets Budget For 2 Years

PORTLAND, Sept. 29.-(A)-The state public welfare commis set up a \$35,524,208 budget to handle its work for the biennium ending June 30, 1947, a slight increase over the current period.

Loa Howard, state administrator, explained that it is based on estimates of county welfare agencies and takes into account current costs of living and increased financial needs for the next bien-

She reported that cases handled by the commission increased 1.8 per cent in August over the number handled a year ago. It administered 25,541 during the month this year. Grants totaling \$926,939 represent a 20.7 per cent increase over August, 1943, she said.

Miss Howard said the commission was receiving a growing number of requests for aid for wayward girls.

The commission reported that average cash grants have risen from \$28.27 to \$34.37, not considering medical services.

Lawyers Give Servicemen Free Service

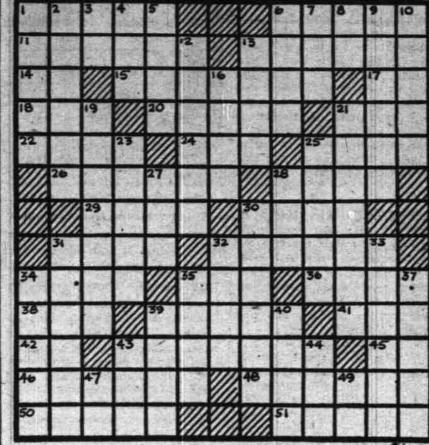

GEARHART, Sept. 29-(A)-Three million servicemen and women have been given free aid by America's lawyers, Col. Thomas J. White, judge advocate of the 9th service command, said today.

White and Lt. Cmdr. Howard D. Pack, Seattle, presented war and navy department certificates to the Oregon Bar association in appreciation of its members' service to armed forces' personnel.

The Bar association, holding its annual convention here, set up a judicial council to study administration of justice in Oregon courts. The council-similar to those established in 20 other states—is comprised of two supreme court justices, three circuit judges, chairmen of the senate and house judiciary committees, and two attorneys.
