

Swegle Class Is Started

Religious Education Work Begun for East Salem

SWEGLE—Bible classes as part of the regular work this year will be given in Swegle school, the first East Salem school to have the classes as are taught in Salem schools. Sample lessons were given in the two upper grade rooms on Friday. Lessons begin in the third grade, pupils in Mrs. Castle's room will go into the intermediate room. First and second grades are included only at Christmas time and Easter. Classes are 45 minutes for each room and will be held on Friday afternoons, beginning October 13 with Miss Martins as instructor.

The followup health clinic for pre-school children was held Wednesday for immunization tests, etc. The regular school nurse will be Mrs. M. W. Wycoff who will again be at the school the fourth week in October.

Absentees from school this past week were Beverly Schultz from the primary room and Emmett Robbins from the intermediate room. He had the misfortune to step on a nail.

Special work for the fourth and fifth grades this past week was the making of portfolios for use in art work. The upper grades have had interesting lessons on present day geography with the use of the new large globes.

The program at the Friday assembly was given by eighth grade pupils as follows: opening exercises, flag salute and Lord's prayer led by Calvin Kennedy and Lyle Runner; four songs by Lynn Standly, Peggy Straw, Alvera Purcell, Pat Smith and Audrey Steele. Announcement of a paper drive to start soon was made by Lyle Runner. Group singing closed the program.

Auburn boys and girls soft ball teams came to Swegle grounds Thursday afternoon for the first ball games of the season. Swegle lost both games with the following scores: Swegle girls 0, Auburn 7. Scores for the boys: Auburn 22 and Swegle 4. Miss Pauline Standley umpired the girl's game, and the teachers the boys.

Mental tests were given the first, fifth and eighth grades last week.

Double Birthday Observance Held

SILVERTON—A. A. Ulvin and his grandson, Pvt. Henry Ulvin, home on furlough from Monroe, Calif., were honored at a double birthday anniversary Sunday afternoon.

Ulvin looks forward to his 90th birthday in January, but celebrated with his grandson, who was 21 Sunday. Pvt. Ulvin, with his sister, Louise Ulvin, a Silverton high school student, make their home with their grandfather since the death of their father, Dr. L. Ulvin, a few years ago.

Hostesses Sunday were Mrs. Lee Ulvin Smith, assisted by Mrs. E. B. Winslow and Mrs. Stanley Swanson.

If you qualify for the Women's Army Corps won't you enlist now? Your help is urgently needed by our wounded and battle worn fighting men. And incidentally, you may be our next "WAC of the Week." See Lt. Edith Di Re' at 211 Post Office Building, Salem, Oregon.

STATE OF OREGON
EXECUTIVE DEPARTMENT
SALEM

EARL SNELL
GOVERNOR

October 2, 1944

Mrs. Katherine Kammer
660 North Commercial Street
Salem, Oregon

Dear Mrs. Kammer:

I wish to extend to you my heartiest congratulations on your enlistment in the military service of the United States. It is deeply gratifying to me to find that the women of Oregon have not ceased to share the responsibilities of winning the war and securing the peace.

I am confident, too, that such action will be a great source of satisfaction to the thousands of sick and wounded soldiers who are being returned to this country to find that their own American women, such as yourself, are ready to help in their rehabilitation.

Mrs. Kammer, I understand that your husband was killed recently while serving with the Army, and now you are carrying on the fight for him. By your enlistment, you are meeting the highest tradition of American womanhood; you are serving your country because you are urgently needed. You know all too well that the peace is still far from won.

In behalf of the people of Oregon I extend sincere good wishes.

Very truly yours,

Earl Snell

Governor

"BUYING TIMBER FOR PT BOATS TAKES ME WHERE IT'S PLENTY RUGGED!"

"Sure glad I've got a FORD!"

says FRED LINNEY
Log Buyer, Lebanon, Oregon

In times like these, the traditional economy and reliability of Ford cars are more than ever appreciated by millions of Ford owners. And with efficient Ford Protective Service readily available everywhere, it's small wonder you so often hear it said, "Sure glad I've got a Ford!"

"I COVER 800 SQUARE MILES buying lumber to be made into plywood for PT boats, planes, and other war goods. It's rugged country but my 1942 Ford takes it in stride."

"IT'S TRAVELS 75,000 MILES on the roughest roads imaginable. The car takes a beating but it stands up fine. And though much of my driving is in low gear, I get good gas mileage."

"A CAR'S GOT TO BE GOOD to measure up to tough going like that. My Ford's been swell and to keep it so I take it to my Ford dealer regularly for a checkup. It certainly pays!"

NEWS NOTES: To distribute materials with the Range plant at Ford, 25 miles of roadways and 100 miles of railroad track have been constructed.

More than 20,000,000 Ford, Mercury and Lincoln cars and Ford Trucks have been built.
