

Morton Cooper Loses Opener

Brownies Cop 2-1 World Series Win

The ninth two-hitter in world series history. It was the first time that a two-hit pitching job has ended in defeat. Cooper struck out four and gave three bases on balls while Donnelly added two more strikeouts victims.

The Brownies' victory made them co-favorites at 9 to 10 to take the series, the first all-St. Louis affair since the baseball classic was inaugurated in 1903. But the Cards were quoted as the 3 to 5 choice to take tomorrow's contest with Max Lanier, a southpaw, Billy Southworth's selection.

Use Yeast In Yeast Bread
By Maxine Burns
Food writers must be brave. Lots of things happen to us, and we must face the music when a recipe gets in the paper wrong.

Wednesday we published a recipe for our best friend's yeast bread, and then left out of the yeast. That's something like the time we put in a recipe for candy that used a drop of glycerine and got a "cup" of glycerine out of it.

Anyhow, we repeat, here's a recipe for yeast bread, which turned out to take two lessons to learn instead of one, but will produce a good yeast bread in the most painless process possible.

League President Calls 1st Meeting

POCATELLO, Idaho, Oct. 4. (P)—President J. P. Halliwell issued today an official call for directors of the Pioneer Baseball League to meet here Nov. 12, to consider operating the class C circuit again next year.

Halliwell said he believed if the war in Europe is concluded during the coming winter that sufficient manpower will be available by next summer to permit resumption of baseball play.

At present league franchises are held by two Utah cities, Salt Lake City and Ogden, and four in Idaho, Pocatello, Idaho Falls, Boise and Twin Falls.

Many Trainees On Husky '11'

(Continued from page 8)

Ralph (Pest) Welch's major headaches is what to do after November 1. A major transfer of V-12 students occurs on that date, and among the known transferees are Gordon Berlin, center; De Courcy, Dick Hagen, letterman end from last year, Guard Jim McCurdy, reserve Fullback Bobo Moore, another letterman, and Halfback Bob Zech, letterman reserve halfback.

The following week, on Nov. 11, the Huskies meet the Fourth Air Force team here in what is expected to be one of the toughest games of the year. The following week, they place the Second Air Force at Spokane, and Coach Red Reese's Bombers haven't exactly built up a reputation of being pushovers for anyone yet.

Which may explain to some extent why Welch is pouring on the heat during his early games and driving his substitutes like 10-10. Those same subs may be the first string when the army and navy move out.

Monday Heavy Wrestling Bill Now Completed

Featuring Jim "Golden Grease" London, world heavyweight champ in the free role, next Monday night's Ira Pilcher promoted wrestling card at the armory has been announced as complete.

Ray Steele, former world champ himself, will occupy the other main event by tossing his 230 pound former Southern California football great. And the 8:30 p. m. curtain-raiser brings two new faces to the village pit, 200-pound "Silent" Pedro Gomez, a deaf mute Mexican, and Bob "Broccoli" Kruse, 195-pounder from Oswego, Ore.

No advance in prices for the all-star show and ducats may now be purchased at Maple's Sporting Goods store. London has not definitely stated whether he will put his world title belt on the block Monday, although Pilcher is insisting that he should.

The stars on the field will be topped by skyscraper Glenn Dobbs, the combination passer-runner-kicker who paces the Air Force Superbombers.

The Air Force boys from Colorado Springs have had no trouble this year in whipping five foes to run their victory string to 16 but they'll be meeting a team in the Seahawks far stronger than any foe encountered this year.

Beware Coughs That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed, irritable mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must use the way it quickly allows the cough or you see to have your money back.
