Stocks Have Active Day

NEW YORK, Nov. 10 -(AP)- Inspired by dividends, earnings and ilton was wounded in France Sep- vada were sought today by West- general business prospects, selected stocks resumed the advance today on the first million-share volume in more than two weeks although numerous leaders failed to make the grade.

Aircrafts led the morning upswing but backed down under subsequent profit cashing. Long war talk remained as a spur for this group. Liquors lost much of their buoyancy, apparently having discounted the January beverage "holiday" announced today by the WPB. Rail equipments came to the fore toward the finish on word manufacturers would soon receive permission to prepare for construction of 700 locomotives for France. The Associated Press 60-stock average was up .11 of a point at 55.6. The year's high was 56.4, reached in July, which also was a seven-year top. The market was broad, 927 issues registering. Of these, 525 were up against 402 down or unchanged. Transfer of 1,120,620 shares compared with
