## War Bond Tilt At 8 o'Clock Rated Tossup

### Indians to Benefit By Muddy Gridiron; Large Crowd Likely

The slippery footing will no doubt slow respective attacks considerably — especially the apparently jackedrabbitish "T" traiping employed by Coach Frank Adams and his Honkers, scorers of 256 points this season against 0 for the enemy. If the "go" becomes too thick for the two "T" teams, the game may develop into a duel between booming fullbacks — 200-pound Cal Simmons of Chemawa and 182-pound Earl Weatherford of the Honkers.

Given a chance to operate those yardage-gulping "T" machines, the proven abilities of triple-threat Quarterback Merle Williams of the Indians and Quarterback Dennis Clark of the Honkers could also stand out offensively. In Wayne Christopherson, 185-pound left half, Clarke has a running partner who has scored 80

points for the Gilliam county clan this season.

Based on respective records, the Arlingtonians must be given an edge, although slight. Against nine "T" foes the Honkers ran up their 256 for 0 against, one victim being Grant Union (13-0), last year's state "B" champ. Chemawa is also unbeaten in "B" play but waded through seven other games in the class "A" Duration league with a 2-2 record. Last year's "B" champ, Chemawa is also unbeaten in "B" play but waded through seven other games in the class "A" Duration league with a 2-2 record. Last year's "B" champ, Chemawa is also unbeaten in "B" play but waded through seven other games in the class "A" Duration league with a 2-2 record.

Chemawa will hold a slight weight advantage both in the line and backfield. The Indian forwards, anchored by 182-pound George Miller who has played employed second of all Chemawa games this season, and Co-Captain Glenn Fritzer, a 180-pound, scale off at a 169.6 average. The backfield goes at 166.2. Arlington's forward wall, spearheaded by 194-pound Guard Dick Huntley and 191-pound Tackle Ron Anderson, averages 165.8. The backs gallop at 156.7. Both teams are decidedly large as "B" eleven's go.

Latest reports from either side reveal full strength for both squads as well as a mental assurance of victory.

About 200 farm buildings burn every day in the United States and Canada.

## Gobs Cheered As Tilt Nears

(Continued from page 10)

Yet, while Navy gained a key first string back, Annapolis coaches disclosed the probable loss of a second string fullback, Fred Earley, with a broken finger received in practice. Earley, who transferred from Notre Dame this year, is one of Navy's best blockers, as well as a capable ball carrier.

Navy coaches said Jenkins, regarded as one of the year's best line crushers, probably wouldn't be "100 per cent read for army" — approximately 90 per cent — which is better than nothing. And that he had been wearing soft padding in his shoe to protect the injury.

WEST POINT, N.Y., Nov. 30. — (AP) — Army's unbeaten football squad completed its work for the annual clash with Navy in Baltimore Saturday by running through its entire collection of plays today in the fieldhouse.

"That's a grand football team,"

said Coach Earl (Red) Blaik as he watched his charges dash for the dressing room, "but we are playing the greatest navy eleven I have ever seen in the 25 years I have been associated with West Point football."

Blaik said that Dick Pitzer, starting left end, had virtually recovered from the leg injury suffered in last Saturday's scrimmage and would be on the field at the kickoff. Barney Foote will take over if Pitzer is slowed up too much.

Talking with reporters before the workout, Blaik insisted that the army line had worked as well against Notre Dame and Duke as had the Navy forwards but agreed that Pennsylvania made a better showing against the Cadets than against the Middies.

## Bridge Dive Proves Futile

PORTLAND, Nov. 30. — (AP) — Don Robbins, 17-year-old Portland high school student, dived 75 feet off the center span of the Burnside bridge here today in a vain effort to save the life of a woman he saw jump from the structure a few moments earlier.

Robbins saw the woman jump while he was crossing the bridge in a bus. Alighting from the vehicle at the east end, he ran back to the center span, slipped off his shoes and coat and threw himself over the railing feet first.

He searched for the woman for 15 minutes before harbor patrol boats arrived at the scene. The river was dragged under the bridge but the woman's body was not found.

Rangers Whip Canucks

MONTREAL, Nov. 30. — (AP) — The New York Rangers celebrated their first appearance of the season on Montreal ice tonight by whipping the league-leading Canadiens 7-3 before a crowd of 8,000.

## Bowling Scores

Western Paper Company's pin toppers, cellarites in the Women's league, knocked off the leading Miller Furniture five, three straight on the Perfection alleys last night. Other matches saw Quisenberry's trim Acklin Bootery 2 and 1, Sears-Roebuck edge Woolworth's 2-1, Rialto defeat the Keglettes two to one, and Nicholson Insurance take two of three games from Broadway Beauty Shop. June Lloyd rang up high series, 513, and Mary Shriner rolled high game, 199.
