Nye Funeral Is Wednesday

Originator of Forest Fire Protection Dies Monday

LEBANON, Jan. 3—Funeral services were held Wednesday in Sweet Home for Marvin Nye, 70, who died New Year's day in the Lebanon hospital. Interment was in the Gilliland cemetery.

Mr. Nye was born in Sweet Home in 1874 the son of Jacob and Henrietta Lett Nye, members of pioneer Linn county families. He lived all of his life in this vicinity and served as the last keeper of the toll gate of the old Willamette Valley and Cascade Mountain road, forerunner of the present South Santiam highway. For many years after the road became public property Nye worked for the successors of the old road company and it was while their agent that he conceived the idea that it would be worth while for the company to try to protect their timber against loss by fire. The company finally gave him permission to try out his idea and he sent his brother to the highest place near the Middle Santiam river, a hill, with an elevation of 3700 feet. That was the beginning of the forest fire prevention work before the national system was begun in 1905. In recognition of his work in this Mr. Nye received letters and awards from the state of Oregon.

Survivors are the widow, Alta, and a daughter, Mrs. Leora Miller of Portland; a son, Lynn of Prineville; also three grandchildren; two brothers, Manfred Nye of Prineville and Granville Nye of Roseburg.

I'll tell you. The other night Joe was fuming and fussing over our bills... trying to balance the family budget. We had that big hospital bill, and some other emergency bills that came up unexpectedly. They really threw our budget out of balance.

So, I said, Why don't we spread those expenses over a year's time by borrowing the LOW-COST way at the FIRST NATIONAL BANK. We'll establish our Bank Credit that way, too. Then when the war's over and we want to buy a new car we'll tell our dealer that we want our car financed thru the First National.
