Grains Suffer Losses Again

CHICAGO, Jan. 20-(AP)-Grains broke sharply in early futures trading today, made an attempt at recovery after mid-session, suffered another setback in the final half hour and finished at or near low marks for the day.

General liquidation ran most markets into stop-loss selling at the start and trade sources attributed the sell-off to favorable but deflationary war news. Rye, off as much as three cents at the close, was down sharply on the first sale.

Mill buying gave May wheat some support and most of the selling pressure was on the deferred deliveries.

At the finish wheat was ¾ to 1¾ lower than yesterday's close, May $1.61⅛-¼. Corn was off ½ to ⅞, May $1.11⅜-¼. Oats were ½ to ⅞ lower, May 66¾-⅞. Rye was off 1⅝ to 3, May $1.10⅞-¾. Barley slipped 1⅞ to 2, May $1.09¼.

Stocks React To War News

NEW YORK, Jan. 20-(AP)-Liquidation due to a revival of short war talk brought the sharpest stock market reaction this week since early Semptember and leaders generally continued to operate on the downside in today's short session.

Additional soviet successes inspired more shelving of commitments today although extreme declines running to 2 or more points were shaded in a number of cases by late short covering. Throughout the six-session stretch inflation psychology, split-up proposals and individual situations persisted as partial props for sentiment.

The Associated Press 60-stock average was off .5 of a point at 55.3 and on the week showed a net drop of 1.5 points, widest recession since the period ended September 9. Transfers of 829,020 shares compared with 774,620 last Saturday.

Red Cross Comforter Completed by Women

SWEGLE — At the home of the president, Mrs. E. E. Brandt, 14 members of the Swegle Woman's club met Thursday to complete a Red Cross comforter. A no-host dinner was served at noon. Mrs. Ed Boone, Keizer district, was a guest for the day at the Brandt home.

Ranch Ramblings

By Rural Reporter

Applications for certification of Willamette vetch are now being received at the county agents' offices. Any farmer who has planted blue tag Willamette vetch seed during the past fall is eligible for certification. While Willamette vetch cannot be distinguished physically from common vetch, trials in the Willamette valley and in the southern states have indicated that Willamette vetch is more winter and disease hardy.

Field inspections will be made during the early spring months. Farmers who obtained seed from warehouses which kept records have been mailed application blanks. Farmers who have not received these blanks should contact their county agent's office so that they can be obtained.

* * *

Farmers may obtain adequate supplies of 20 per cent superphosphate fertilizer through the AAA organizations if they are prepared to order early and store for fall use.

The supply of phosphate available is limited and it now appears that commercial supplies may be very scarce.

Recommendations are for two or three hundred pounds per acre with the seed at seeding time if used with annual legume seedings in the fall. Applications made to perennial legumes and grasses can also be made in the fall with some advantage over spring applications. Phosphate applied through fertilizer attachments on drills give much better results than that applied separately.

If phosphate is wanted for crops other than legumes or grasses it must be obtanied from some other source than the AAA county associations.

Certified Grimm alfalfa seed from Oregon, Montana or Idaho is recommended for the Willamette valley and the prospective alfalfa grower who purchases seed from any other source is courting disaster.

The federal seed act requires that each lot of Argentine seed be stained an orange-red color.

RATION CALENDAR

Home Extension Unit Studies Spring Repair

PRATUM — The Pratum-Macleay Home Extension unit will meet Tuesday, Jan. 23 at the Macleay grange hall with Marjorie Tye, home demonstration agent for Marion county, presenting the demonstration on "Repair of Inner-spring Cushions".

Anyone having a cushion to be repaired may bring it, and the following supplies: 2½ or 3 yards of heavy muslin or feed sacks. The material need not be new or in one piece. The color does not matter.

Hostesses for luncheon are the women from Macleay with Mrs. C. McMorris the chairman. Officers of the unit are Wilma deVries, Mrs. Tom Burton, and Mrs. O. P. Wigle.
