\$14,832 Month Paid Under Security Plan
Payments under the old age and survivors' feature of the social security act in Marion county now amount to \$14,832 monthly, according to Richard C. Stillwell, manager of the Salem office of the social security board. In addition, Stillwell said, \$9275 was paid in 1944 as lump sum settlements where monthly payments were not made.
There are 329 persons receiving payments of \$8763 per month as retired workers past age 65. In this group are 116 wives past 65 receiving \$1897. There are 73 young widows and 189 minor children being paid \$3417. The aged widows and dependent parents total 39 and are paid \$752.
These payments are made regardless of other income or resources as insurance payments from the 1 per cent payroll deductions and 1 per cent matching by employers under the provisions of the Old-Age and Survivors Insurance program of the social security act.
"It is interesting to note," said Mr. Stillwell, "that of the 746 payees in Marion county, more than one-half, or 417, are represented by members of the family other than the actual wage earner."
Stillwell pointed out that the total monthly payments were increasing each month and that they would shortly amount to \$20,000 a month in Marion county, most of which is paid to Salem residents.

Sen. Cordon Seeks Bee Culture Lab. in Oregon
WASHINGTON, Jan. 20 (AP)—Sen. Guy Cordon (R-Ore) has introduced legislation to establish a bee culture laboratory in Oregon to aid the seed and fruit growers of that state.
Cordon said efforts of the Oregon state bee keepers to get an experimental station sponsored by the federal department of agriculture had failed because the department said it lacked funds. A suggestion that Oregon apiarists refer their problems to the California laboratory was not practical, Cordon said, because bee culture in Oregon faced different conditions.

WU Juke Box Proceeds Go To Polio Fund
Most recent boost to the Willamette university phase of the "March of Dimes" campaign being conducted in memory of Opal Scheurman, WU sophomore who succumbed to polio last July, was the decision of the Cavern board to donate a week's proceeds from Burns and act as master of ceremonies. Donald Harris of Portland, vocalist and entertainer, will sing some Burns and Harry Lauder songs and Mrs. Virginia Ward Elliott of Salem will also favor with Scotch songs.
Roy Harland, Rotary president, says that Burns admirers who wish to attend will be welcome, up to the capacity of the Marion hotel dining room.

WU Juke Box Proceeds Go To Polio Fund
Most recent boost to the Willamette university phase of the "March of Dimes" campaign being conducted in memory of Opal Scheurman, WU sophomore who succumbed to polio last July, was the decision of the Cavern board to donate a week's proceeds from Burns and act as master of ceremonies. Donald Harris of Portland, vocalist and entertainer, will sing some Burns and Harry Lauder songs and Mrs. Virginia Ward Elliott of Salem will also favor with Scotch songs.
Roy Harland, Rotary president, says that Burns admirers who wish to attend will be welcome, up to the capacity of the Marion hotel dining room.

Sen. Cordon Seeks Bee Culture Lab. in Oregon
WASHINGTON, Jan. 20 (AP)—Sen. Guy Cordon (R-Ore) has introduced legislation to establish a bee culture laboratory in Oregon to aid the seed and fruit growers of that state.
Cordon said efforts of the Oregon state bee keepers to get an experimental station sponsored by the federal department of agriculture had failed because the department said it lacked funds. A suggestion that Oregon apiarists refer their problems to the California laboratory was not practical, Cordon said, because bee culture in Oregon faced different conditions.
