CHICAGO, Jan. 25.-(A)-Grain markets were erratic today, breaking after an early rally only finish strong with rye in the lead and up as much as 1% cents. Near the end of the session offerings were light and when a broad short covering move in oats, rye and wheat developed prices turned sharply higher.

Trade sources said belief that markets had been oversold on recent favorable war news accounted for the buying during the final 15 minutes of trading. Contributing factors were the firm to strong cash markets and reports on an urgent need for feed grains in eastern states.

At the finish wheat was 1/4 lower to 1 cent higher than yesterday's close, May \$1.60 - 1.59%. Corn was up % to 1/2, May \$1.11-%. Oats were unchanged to 11/4 higher, May 65%-66. Rye was up % to 1%, May \$1.11%-%. Barley was unchanged to 1/8 higher, May

In the wheat market the May delivery was under the pressure of selling by local traders and at one time went to a new low since late November.

# Stock Market Takes Upturn

NEW YORK, Jan. 25 .- (AP)-The stock market reversed its course today and, for the first time since January 17, negotiated an average advance although on one of the smallest 5-hour turnovers of the past two months.

The comeback was attributed mainly to bidding on the idea the recent substantial reaction entitled the list to at least a temporary technical turn-bout. The forward swing of the allies in Europe still was a cautionary trend influence,

The Associated Press 60-stock composite was up .4 of a point at 58.2. Of 886 issues registering, 567 were in the plus column. Transfers of 973,890 shares compared with 1,012,460 Wednesday and were the lowest for a full stretch since December 21.

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, hendaches and dissiness. Frequent de scanty passages with smarting and burning syes, precautes and dissuess. Frequent of scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Fills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from "our blood. Get Doan's Fills.
