## Tekenburg Rites Held Wednesday Burial at Macleay

**MACLEAY**—Funeral services for Ida May Hartley Tekenburg, 77, who died Sunday after a short illness, were held Wednesday. Rev. David Nielsen officiated.

Mrs. Tekenburg was a daughter of the late E. W. and Ann Elizabeth Whitlow Hartley, pioneers of 1865, widow of the late J. F. C. Tekenburg, and the oldest resident of the community.

Mrs. Tekenburg was born on the homestead of her parents, near an old Indian fort about a mile from what is now the town of Macleay but was formerly part of the Hartley property.

She spent her entire life on the homestead where she was born and which she dearly loved.

After the death of her husband three years ago she refused to leave the homestead, preferring to live alone among the pioneer treasures of the Hartley family and the scene of the Hartley clan homecoming since 1895, and the annual community homecoming.

Mrs. Tekenburg was a charter member and the first lecturer of Macleay grange, organized in 1900, and also a past master. She was a charter member of Macleay community club, Macleay Woman's

## Stocks Start Poorly, Finish With Advance

NEW YORK, Jan. 31.—(AP)—Reversing the order of the previous session, today's stock market started poorly but closed on a rising note.

Final gains in the leaders ranged from fractions to more than a point. Stocks considered to have the best demand prospects were in better demand than the heavy industry issues and other war shares.

The Associated Press 60-stock composite at the close was up .1 of a point at 58.7. Transactions amounted to 1,177,080 shares compared with 1,529,458 Tuesday.

Some of the market's highlights were American Telephone's recovery from a 1 1/2 point drop to close of 4%, and brisk buying of low priced motors and specialties. Steels and rails overcame their early depression to close generally higher.

Johns-Manville finished 2% higher, American Distillers up 1%. Case up 1%, Montgomery Ward up 1% and Studebaker up 1/2.

## Grain Futures Turn Strong In Final Hour

**CHICAGO**, Jan. 31.—(AP)—Grain futures, steady to firm most of the session, turned strong in the final hour of trading today and at the finish gains extended to two cents or more.

Short covering accounted for the advance and was attributed to one-cent increases in parity prices of wheat and rye. In many cases closing quotations were new highs for the day.

Pit traders paid little attention to announcement of the increase in parity for wheat and rye until afternoon when one of the prominent local professionals began buying in all markets.

The trade in wheat was not heavy and prices backed and filled until the late market.

The corn market was unsettled, dipping early in the day but rallying when strength of other markets led shorts to cover.

At the finish wheat was 1 1/2 to 1 3/4 higher than yesterday's close, May \$1.61 3/4-5. Corn was up 1/2 to 3/4, May \$1.12. Oats were 1 to 1 1/4 higher, May 67 3/4-5. Rye was 1 to 2 1/4 higher, May \$1.13 3/4-5. Barley was up 3/4 to 1, May \$1.10 1/4.
