## Stocks Make Comeback **During Week**

NEW YORK, March 17-(AP)-The stock market today concluded a 25, good recovery week, although the slowest since last November, with specialized strength offsetting profit cashing stumbles in virtually all departments.

Earnings, dividends, individual situations and inflation ideas persisted as bidding insipration. Many customers, however, held aloof on the thought that important war news over the week-end might alter the course of prices. Transfers of 400,000 shares com-

pared with 750,000 last Saturday and were the smallest since November 25. The Associated Press 60-stock composite was up .1 of a point at

61.9 and on the week showed a net comeback of 1.2 points. The rail down or unchanged.

#### Forage Crop Meetings Scheduled Next Week

Outlook for grass seeds, and the possibilities for new and future development of forage plants will be topics discussed. The first meeting will be held at the chamber of commerce rooms in Silverton Monday at 1:30 and the second at the Foresters hall in Sublimity Tuesday at 1:30.

#### **Blood Donors Unit Due** In Monmouth April 27

MONMOUTH - The American Red Cross blood bank mobile unit will be in Monmouth, Friday, April 27. Excellent cooperation has been given this unit here in the past, and a generous response is again anticipated.
