Plans Ready For PTA Club In High School

Plans for the organizational meeting of Salem Senior High School Parent-Teacher association which is to be held Tuesday evening at 8 p. m. are complete. Mrs. James H. Turnbull, temporary chairman, announced Saturday. The nominating committee announced Saturday that a complete list of nominations had been suggested by the committee composed of Mrs. George Croisan, chairman, and Mrs. George Lewis, Mrs. Glen Paxton, Mrs. Ralph Cooley, Mrs. Ralph Campbell, Mrs. R. A. Meyer, Mrs. W. L. Phillips and Preston Doughton.

During the pre-organization work Mrs. Oscar Paulson has served as temporary secretary. Stressing the importance of a strong PTA, Harry Johnson, principal of the high school, pointed to the aims of the organization, listed in 10 good reasons for joining the association.

These include depreciation of basic values in war times; children's needs won't wait; many heads are better than one and the PTA pools thought in a common cause; control of juvenile delinquency; teaching the lesson of cooperative effort to children by example as evidenced by PTA activities; learning what democracy stands for; information on child training in new methods to match the times; teaching a sense of proportion; aiding the war effort by helping to influence normal, balanced children for the future; helping to make the world better by helping to better the conditions of the children in the community.

Terrebonne Family Visits in Monitor

MONITOR—Mrs. Tim Dent and children, Richard, Ivo June and Jimmie, from Terrebonne are visiting her mother, Mrs. Edna Wilgig.

Mr. and Mrs. Horace Haskins, Paula and Luane, of Monmouth, are visiting his parents, Mr. and Mrs. H. N. Haskins.

Banquet Given By Camp Fire Girls' Group

DALLAS—Seventy-five mothers and daughters attended the Mother-Daughter banquet sponsored by the Camp Fire council, Thursday night at the Christian church. The decorations were tiered candleholders with candles to represent the seven crafts and spring flowers.

Following the covered dish dinner, Mrs. Oramel Shreeve, toastmistress, introduced the guests of honor, the sponsors and guardians. The daughters introduced themselves and their mothers. Mrs. Emma Maxwell, executive of the Willamette area gave a short talk on the 33rd birthday of the organization of Camp Fire Girls in 1912. She said the movement was an outgrowth of a desire to have an organization for girls similar to the Boy Scout movement which had been introduced into the United States from England. While the Dallas Camp Fire Girls were organized only one year ago, there are now 120 members.

Mrs. Ray Boydston was given a present by her group, as it was her birthday. Eileen Enstad gave the toast to the mothers and Mrs. Carl Gerlinger, Jr., the toast to the daughters. Group singing, an Indian legend as to how Camp Kilowan got its name, and a folk dance closed the program. Lloyd Beerman of the high school showed two reels of colored pictures of Camp Kilowan near Falls City.

Salem Heights Has Pre-School Clinic

SALEM HEIGHTS—A school and preschool clinic was held at the school Wednesday by Dr. W. J. Stone, Marion county health officer, assisted by Portia Conway, county health nurse. One hundred and thirty-six students and preschool students were examined. Seventy-seven were found free of defects.

Immunization for diphtheria, smallpox, and whooping cough was carried out and the tuberculin test was given.

The dental clinic was held Tuesday when Dr. L. L. Sanders examined the teeth of 96 children of the first four grades. Only 12 of those examined did not require some corrective work.

The clinics were preceded by instructions in hygiene and prevention of illness. A plastic dental display was set up at the school for teaching purposes.

Parent volunteers assisting at the clinics were Mrs. Louis Anderson, chairman of the health committee, Mrs. K. Lund and Mrs. Lester Morris.

Gardening Today

In spite of the continuous rain, Willamette valley is turning its attention to gardening. Questions have been pouring in during recent days. Many of the questions will be answered in our spring garden edition which is scheduled for publication Easter Sunday.

Some of the vegetable questions will be caught up with on Thursday's farm page. Following are the remainder.

Ques.: I want to replant a bunch of little evergreens. Can I do that now or should I wait until fall? L. B. G., Salem.

Ans.: The word bunch rather confuses me. Do you mean you have them growing in an actual bunch? If so, they should be separated. Spring is a good time to transplant them, particularly if you have sufficient water to prevent their drying out during their first summer. Be careful not to let the roots dry out in the process.

Ques.: I have more moss than usual on my lawn. Should I lime it heavily? Mrs. F. S. C., Woodburn.

Ans.: No, contrary to the belief of many, liming is no cure-all for moss. Moss usually grows on unfertile lawn soil, or soil that has become packed. Rake off what can be taken care of that way. Spike the lawn and fertilize well. Fertilizing the lawn will do more than any one other thing to "cure" moss-covered lawns.

Ques.: I have a dwarf pine, should it be fertilized? I have been told that camellias will not bloom if the flowers are picked with long stems. Is this so? Should Christmas roses grow in shade? What type of soil? C.D.M., Salem.

Ans.: Unless the soil is exceptionally poor, the dwarf pine should not be fertilized. Nor should the dwarf juniper. Camellias will bloom again if they

Bridal Shower Given For North Dallas Girl

NORTH DALLAS—At the Sol H. Warkentin home a bridal shower was given for Annie Dick, daughter of Mr. and Mrs. H. H. Dick, Tuesday with the choir of the Evangelical Mennonite church participating. Mrs. Henry C. Friesen of Dallas and Mrs. John Ediger of North Dallas were the joint hosts for the occasion.

The time was spent with suitable entertainment and refreshments served at the close. Miss Dick received numerous gifts. She will be married in the Evangelical Mennonite church in Dallas Tuesday, March 27 to John Janzen of Paso Robles, Calif.

Ans.: Heather likes a well-drained soil. Dig a bed about a foot deep, fill it with one-third garden loam, one-third sand and one-third acid leafmold or peat moss.

Stayton Makes Red Cross Goal In Five Days

STAYTON—The Red Cross War Fund passed the \$1500 quota only five days after the drive started March 5. Mrs. Kathryn Weddle, chairman, now reports the fund has reached \$2000.

Some districts as yet are not completely reported. Stayton was the first Marion county town to report the total quota in this drive.

Series of Services To Be Started Today

A series of special services will begin at the Court Street Christian church Sunday morning, according to an announcement by W. H. Lyman, minister.

He has announced as his Sunday morning sermon subject, "No One Save Jesus Only." Easter week evangelistic services will be held each night except Saturday at 7:30 p.m. Special music will be brought by a trio including Beth Alice Ladd of Portland, Carol Crozier and Marie Wilks, both of Salem.

Red Cross Is 'Great Stuff'

PORTLAND, Ore., March 24 (Special)—"The Red Cross is great stuff; they sure did a lot for us boys down there where the going is rugged." So says Cpl. James T. Makinson of Pine Valley, Baker county, Oregon, who recently returned from 33 months service in the South Pacific.

At a ceremony held at Portland port of embarkation, an installation of the Transportation corp., army service forces, where Corporal Makinson now is stationed, he spoke in tribute to the organization which has meant cheer and succor to soldiers in all theatres of operations.

Daughter of Pioneers Dies at Portland Home

PORTLAND, March 24 (P)—The daughter of the Oregon pioneers for whom the town of Hubbard, Ore., was named will be buried here Monday.

Mrs. Flora Lewis, 90, daughter of Eli and Elizabeth Hubbard, died here Tuesday. She was born near Salem, at the family farm adjoining the farm where the late Sen. Charles L. McNary's parents lived.

BEAUTY OF NATURE IS ACHIEVED WITH NEW DENTAL PLATES

Dentures made with the improved material all dentists recommend have quality of faithful appearance.

Dr. Painless Parker Says:

"The carefully blended color and design of new style dentures afford a greater measure of resemblance. Plates have a soft surface luster—a permanent natural form. They are lighter, yet more durable."

Dental Service of All Kinds

Postponements and delays in tooth repairs can lead to discomfort and illness. Use Accepted Credit when your teeth require attention. Begin your work immediately and pay later. Pay by the week or month.

Use Accepted Credit

Transparent Plates Harmonized with individual features.

Crystal-clear palate added feature of dental plates

Plates made with transparent material merge more easily with individual features—the actual tissue tones are reflected by the transparent palate—and a more realistic effect is preserved.

Widespread prevalence of dental defects attack national health standards.

Translucent teeth for plates in shades and shape of natural ones

Years of research of chemical laboratories has resulted in the perfection of translucent teeth for restorations. These teeth absorb and reflect light and have a live, vital appearance. Since teeth change shades with the years it is important to select replacements with a color guide and choose teeth of the same hue and shape. These refined artificial teeth simulate the effects of human teeth.

Make Your Own Credit Terms Within Reason

When you buy those extra war bonds buy them for keeps.

Pay For Dental Plates As You Wear Them

Plates of strength and stability, made with the improved material all dentists acclaim for its wearing efficiency.

NOTICE!

All the world has been proven guilty before God. "For all have sinned and come short of the glory of God." (Romans 3:23). And the wages of sin being ETERNAL DEATH, the world is not only guilty but condemned.

FOR, WHEN JESUS OFFERED HIMSELF TO THIS WORLD AND WAS REJECTED HE SAID: "Now is the Condemnation of this world." (John 12:31). "He that believeth on Him (Jesus Christ, God's Son) is not condemned; but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God." (John 3:19). But thank God.

IT IS A FACT

That, "God so loved the world that He gave His only begotten Son that whosoever believeth on Him should not perish but have everlasting life." (John 3:16).

BECAUSE

Nearly two thousand years ago JESUS CHRIST, the ETERNAL SON OF THE ETERNAL GOD, came into this world as a man. "He came unto His own, and His own received Him not, but as many as received Him to them gave He the power to become the sons of God, even to them that believe on His Name." (John 1:11,12). And "He was wounded for our transgressions, He was bruised for our iniquity; the chastisement of our peace was upon Him and by His stripes we are healed. All we like sheep have gone astray; we have turned every one to his own way; and the Lord hath laid on Him the iniquity of us all." (Isaiah 53:5, 6). Now since "JESUS PAID IT ALL."

GOD HATH SAID

"BY HIM ALL THAT BELIEVE ARE JUSTIFIED FROM ALL THINGS." (Acts 13:38). "To Him give all the prophets witness, that through His Name whosoever believeth in Him shall receive REMISSION OF SINS." (Acts 10:43). "The wages of Sin is death, but the GIFT OF GOD IS ETERNAL LIFE, THROUGH JESUS CHRIST OUR LORD.

SO

NOW, "BELIEVETH ON THE LORD JESUS CHRIST AND THOU SHALT BE SAVED." (Acts 16:31) THERE IS NO OTHER WAY TO ESCAPE CONDEMNATION!

YOUR NEXT STEP MAY BE INTO ETERNITY. ARE YOU PREPARED?

Verdict of the Ages

The Liquor Bill

The rapid increase in alcoholism is recognized by Alcoholic Beverage Commissioner Driscoll in his proposal to use a half million dollars to rehabilitate the alcoholics of New Jersey, who are claimed to be a "constant threat to our hoped-for standard of living."

We have heard two questions asked: "Does it make sense to sell the stuff that makes alcoholics and then use tax money to rehabilitate them?"

The second question is: "Why the increase in alcoholics?"

According to the United States Commerce Department, last year more than \$7,000,000,000 was spent for legal liquor. Government officials admit that if bootleg liquor were to be included, the nation's liquor bill would be far higher. This is roughly five cents out of every dollar of income after taxes and an estimated per capita expenditure of \$54.

The latest figures of the National Association of Retail Meat Dealers, Inc. (1941), say the meats product bill for that year was \$2,500,000,000, and the Vice-President of the Milk Industry Foundation of New York stated that the dairy products bill last year for the United States was \$2,500,000,000.

With more spent for liquor than either meat or milk products, there is a constant lengthening roll of alcoholic addicts every year.
