Chemaw Kids On Way Back

(Continued from page 14) one which ended only after the Indians lost out in district finals. And right now Saunders is riding herd on the Chemawa track and field squad, one which is advertised already as potentially the best at Chemawa in years.

But the beauty of it all is that the Indians are manned by underclassmen almost all the way through. Thompson loses only one regular off last year's grid squad, Guard Glenn Fritzer. He loses but one regular on the basketball team, Guard Bill Yalisp. And Saunders has but two seniors working out for the track team.

The Indians haven't only hit the long road back with a rush they intend staying for awhile when they get there from the looks of the material at hand.
