#### Stocks Make Retreat; End Losing Week

NEW YORK, March 24-(AP)-Financial markets negotiated a more or less orderly retreat today as the big allied push in Germany indicated the collapse of the nazis might be near.

Apprehension regarding industrial difficulties when the Hitlerites fold brought moderate selling in stocks with declines of fractions to a point or more for virtually all groups. Selling was exceptionally light until just before the close when offerings expanded. Turnover of 450,000 shares compared with 400,000 last Satur-

While scattered issues with good peace-time prospects put up a show of resistance and ended with modest plus signs, most pivotals finished around the lows of the

The Associated Press 60-stock average was off .6 of a point at 59.9, widest drop since Tuesday. For the week the decline amounted to 2 full points, largest since the period concluded July 22, 1944.

#### **Hog Prices** For Valley Are Listed

PORTLAND, March 24 - (Special)-Hog prices effective in the Willamette valley area were announced Saturday by H. P. Maddison, price specialist from the Portland OPA district office.

The maximum permissible price for barrows and gilts, weighing over 140 pounds, delivered to any "buying station" in Marion county is \$15.45.

Sows, boars and stags take 75c per cwt less. These prices, Maddison pointed

out, apply as the maximum that may be paid by any packing house, slaughter house, or "certified dressed hog processor." No butcher, unless he is register-

ed as a "certified dressed hog pro-

cessor", may purchase dressed hogs in the carcass. Any person who sells live hogs at prices higher than the above

is liable to the various penalties prescribed under the emergency price control act of 1942.

The only exceptions to the above prices occur when sales are specifically made for breeding; se

EUGENE, March 24-(AP)-Dr. Harry K. Newburn, who will take office July 1 as the University of Oregon's new president, left for Iowa today after a visit on the Oregon campus.

A few days ago, Dr. Newburn said education was first and sports and extra-curricular activities second in his plans for the university. But when he emerged from one session with sports-loving educators here, he announced he was going to buy a rod and reel and try flycasting in Oregon waters. 'Rain or no rain,' he said he liked Oregon's outdoors. He predicted a "bright and hopeful" fu-
