Slow Dealings

NEW YORK, March 29—(R)—Assorted rails, aviations and specialties developed a certain amount of strength in today's stock market while many leaders stumbled on the slowest dealings in about five months.

Many customers trimmed accounts and adjourned for tomorrow's holiday when principal exchanges of the United States and Canada will recess. Others stood aside to await war developments.

Earnings, dividends and individual situations aided favorites.

Gainers of fractions to 2 points were in the majority at the close. Transfers totaled 660,000 shares compared with 720,000 Wednesday and were the smallest for a full session since October 30, last.
