Second Election At Silverton to Be Held May 26

SILVERTON—For the second time this spring, voters of the Silverton school district will be called upon to vote a special tax. This time an extra \$20,000 will be asked for at the special school election set for May 26. The move was designed by the board to relieve the strain of existing warrant indebtedness on the school system. If approved, the extra money will be included in the budget for the fiscal year 1945-46.

This will be in addition to the \$19,976.28 approved by the voters at the special election on March 3. Voting has been set for the Eugene Field school between 2 and 7. The board is hoping that the proposed levy will put the district back on a cash basis.

The regular election will be held in June when the term of Arthur Dahl expires. Pressure is being brought to bear on Dahl to seek re-election but as yet he has made no statement as to what his intentions are.
