

Truman Gives Highest Medal To U. S. Hero

WASHINGTON, May 21.—(AP)—Before a cheering congress President Truman today awarded the nation's highest medal to Tech. Sergeant Jake W. Lindsey and predicted that men like him will strike "overwhelming" blows against Japan.

Rebel yells pierced a roar of applause as the slight, dark-haired "one man army" from Luedale, Miss., relaxed his stiff military stance and stooped forward slightly to make it easy for the commander-in-chief to clasp a loop of pale blue silk around his neck. From the ribbon dangled the congressional medal of honor, the 223rd awarded to American fighting men in this war, the 100th to be won by an infantryman.

The medal, Mr. Truman reminded the senators and representatives gathered in the house chamber, is given for gallantry at the risk of life beyond the call of duty.

E. Burr Miller Heads Valley Trade Group

E. Burr Miller, Salem, chairman of Salem's Retail Trade Bureau and district manager of Safeway stores, was elected president of the new Valley Retail Trade Association at the organization session here Monday and Salem was selected as headquarters.

Fred M. Brenne, Eugene, was named secretary and Ed Johnson, Eugene, vice-president.

Consensus of opinion opposed closing of stores on Armistice day. The only two large cities in the United States, where retail establishments close in observance of the day are Salt Lake City and Boston, where half-day closing is required by state law, Edward N. Weinbaum, chairman of Portland's retail trade organization, said.

The committee which will draw up the new organization's constitution and by-laws consists of: Harvey Wells, Corvallis, chairman; Clint H. Weiby, Silverton; C. F. Klippel, Oregon City; and Charles W. Smith, Woodburn.

Registered at the meeting, held Monday morning in Salem Chamber of Commerce rooms, were: Fred M. Brenne, Eugene; Alice M. Crabtree, McMinnville; Kenneth McGreggor, and Wells, Corvallis; Mrs. Jennie Tilbury Fink, McMinnville; V. E. Johnson and W. T. Switzer, Eugene; J. G. Jensen, Mill City; Klippel and Mildred Legler, Oregon City; B. P. Friedman, A. W. Molin, and Weinbaum, Portland; Lloyd B. Larsen and Weiby, Silverton; Smith, Woodburn; S. L. Cummings, Rex Gibson, Loyal Warner, Brown Sisson, Earl Mootry and Miller, Salem.

20,000,000 Nip Students Put On War Basis

SAN FRANCISCO, May 21.—(AP)—Japan today mobilized its 20,000,000 students on a full war time basis, the Japanese Domei news agency reported, and began formation of an "agrarian militia" for defense of the homeland.

As these moves to combat an expected invasion developed, Tokyo radio reported that the government looked to a solution of its basic Chinese policy as the "key to overcoming the crisis" confronting the empire.

Broadcasts reporting these developments were recorded by the FCC.

Tokyo had nothing further to say, concerning its unconfirmed claim of the last few days that a powerful allied fleet was on the move south of Japan.

Thumbnail of War!

Okinawa—Tenth army doughboys and marines in surprise attack push through Taira in direct assault on Shuri as west flank marines bloodily repulse Japs.

Philippines—Eighth army doughboys move up central Mindanao to reach edge of Malay-balay airfield within 25 miles of another Yank column.

China—Chinese troops with U. S. air support launch new drive in south against Japan's Indo-China lifeline.

Borneo—Australian patrols on Tarakan penetrate to within three miles of north coast.

Council Adopts Ordinance Providing Stiff Penalty in Assault and Battery Cases

An ordinance providing maximum penalty of 30 days in jail and \$100 fine for assault or assault and battery adopted Monday night by the Salem city council almost duplicates a state law but makes possible the prosecution of offenders in municipal court and permits their arrest without formality of a justice court warrant sworn out by the victim, City Attorney Lawrence N. Brown explained preceding the vote.

A sign erected by an oil company in the sidewalk at High and Ferry sts. at last is legal. Monday night the council went into a committee of the whole to correct the ordinance dealing with the sign so that it would read "southeast corner of High and Ferry" instead of "northeast" and then discovered that the sign had stood there for months. When its owners discovered it was on city property they asked for the council action, its sponsors said.

Vacation of a portion of Bellevue st. between High and Liberty sts. asked two weeks ago by Carl Armprist, who plans to erect a sheet metal shop there, is opposed by at least one property owner in the letter. A letter from Agnes Bain asking that the vacation not be permitted was referred to the committee investigating Armprist's request.

Denies Bike Claim

The council denied a claim by a father who said his boy's bicycle had been stolen, reported recovered by city police and stolen from the racks in front of the police station before the lad could get it. It denied also one request for permit to erect a billboard and, by accepting a committee recommendation, one request for a loading zone.

Alderman Howard Maple asked that the police, traffic and license committee conduct a survey of loading zones with a view to doing away at least with those now antiquated.

The Izaak Walton League's request for authority to build a clubhouse in a residential zone was returned to the organization with notification that it should proceed to seek the authority under provisions of the city's zoning ordinance.

37 to Report For Induction On Thursday

Twenty-five men registered with the Salem selective service board and 12 transferred to the Salem board are scheduled to report for induction Thursday morning, May 24.

They are:

Salem registrants: William James Lapschies, Julius Clarence Hilfiker, John Edwin Davis, Leon Bart Salomon, Edward De Vere Fortune, Richard Ben Baker, Marion Walter Palmer, William John Gentzkow, Glenn Jasper Fix, William Leonard Berry, Arthur Patton Wood, Harry Earl Patton, Orval Junior Lams, Daryl William Donaldson, William Thomas Grier, Otto Ernest Arndt, Jr., John Kenneth Coomler, Roy Sherman White, Dale Leroy Stanley, Charles Isaac Schanep (transferred to another local board), Quay M. Wassam, Jr., (transferred to another local board), William Kirkland Holt (transferred to another local board), Melvin L. Gartner, Henry Thomas Tanaka (transferred), Masaki Kiyono (transferred).

Transfers to this board: William Francis Everitt, Richard Cummings, Forrest T. Hatch, David Mathew Cunningham, Luther Clarence Correll, Norman Everett Wade, Harold D. Lapp, Ira Edin Trussell, Lawrence A. Baxter, Vernon E. Oertel, Richard D. Peters, Waldo B. Williams.

Krupp Evicted From Mansion By Americans

ESSEN, Germany, May 21.—(AP)—Alfred Krupp von Bohlen und Halbach, former ruler of the Krupp armament empire, was evicted today by American officers from his mansion and moved into the gardeners' cottage on his Essen estate.

The palatial Krupp family home, staffed by 125 servants, was taken over by Maj. Gen. Ernest N. Harmon's U. S. 22nd corps as military billets.

Herr Krupp von Bohlen und Halbach, who admitted joining the Nazi party in 1936 and having become a standarther fuhrer (colonel) in the Nazi-sponsored national fireger corps, is still under investigation by allied counter intelligence and is technically under "house arrest."

The blond, angular industrialist, in frequent conversations with American interrogators, was reported to have urged that "my plants" be allowed to start production on rails, locomotives, bridge girders and other equipment necessary for the restoration of German communications.

Clark Gable Back in Films

HOLLYWOOD, May 21.—(AP)—Looking a little older but still the same forceful actor, Clark Gable donned makeup and returned to movie cameras today after an absence of three and one-half years on the warfront.

Enlisting as a private soon after the 1941 death of his wife, Carroll Lombard, in an airplane crash, Gable served in the army air force at home and at British bases until his recent discharge with the rank of a major.

Denmark, Russia Agree To Resume Relations

LONDON, May 21.—(AP)—The Moscow radio announced tonight that Denmark and the Soviet Union have agreed to resume diplomatic relations which were broken off at the time Germany invaded Denmark.

Lion's Roar' Put Out by Jefferson High Students

"The Lion's Roar," 48-page annual of Jefferson high school, was off the presses in attractive format today. It is edited by Robert M. Simpson, with Marian Ray as associate editor, Ronald Allen as finance chairman and Beth Stull as faculty assistant.

The book, printed by The Statesman Publishing Company, is dedicated to "our men and women in the service," and the service roster includes more than 125 names. A school history and pictures of the faculty, student body, student scenes, sports, clubs, and a variety of stories, make up the annual.

State Gas Consumption Up for First Quarter

Gasoline consumption in Oregon during the first three months of 1945 totaled 51,298,372 gallons, a slight increase over the consumption of 51,258,119 gallons for the same period a year ago, Secretary of State Robert S. Farrell, jr., announced here Monday.

Total tax paid on gasoline for the first quarter was \$2,564,918.63.

Two-Thirds of Big Jap Force Are Liquidated

MANILA, Tuesday, May 22.—(AP)—Two-thirds of a big Japanese force trapped in central Luzon's Ipo pocket were liquidated Sunday by the 43rd infantry division and guerrillas, a spokesman at Gen. Douglas MacArthur's headquarters announced today.

The spokesman, elaborating on the general's communique, added that all organized resistance south of metropolitan road had been eliminated.

IPO dam itself, source of one-third of Manila's water, was captured Thursday in an action which encircled Nipponese defenders. Subsequently, a tank-led column split this force in two by taking metropolitan road.

One hundred dead Japanese were counted on the road and 400 in a cave and in road defenses knocked out or abandoned.

Portland Wins Top Honors at Jaycee Meet

Portland Junior Chamber of Commerce carried home the Geissler trophy for the past year's accomplishments and the presidency of the state conference of Jaycees on Sunday afternoon following a full weekend meeting here.

The award, presented annually, went to Portland for its record in membership, finance, civic activities, recreational activities, junior chamber relationships, extension and publicity. The Klamath Falls Junior Chamber won the expansion award for the year.

Lee Stidd of Portland was elected president to succeed Lofton L. Tatum, Portland, who was named national director; Merle Nash of Eugene, Marvin Hixon of Klamath Falls and Vern Van Frank of LaGrande were elected vice presidents; Bruce Gilbert of Bend, secretary, and Victor Mines of Medford, treasurer.

Wives of Jaycee members elected Mrs. Wilfred Jossey of Bend temporary secretary of the planned state organization of auxiliaries. Salem now has an auxiliary having junior chambers.

Delegates here from the 12 clubs of the state visited the penitentiary and the state forestry buildings Sunday afternoon following the business session.

Spain to Have 'Model' Prison

MADRID, May 21.—(AP)—Francisco Rodriguez Martinez, director of public security told foreign correspondents today that Spain's Nationalists de la Oca prison camp would be a "model" camp when completed.

Meanwhile, there were reports that reprisals had been taken against foreign prisoners who spoke to newsmen who visited the camp.

Rodriguez's statement was made to nine newsmen who inspected the camp last week at the invitation of the Spanish interior ministry. These newsmen found no evidence that any foreign prisoners had been killed but refused to sign a prepared statement that neither foreigners nor Spaniards had died as a result of prison treatment.

Bogart Weds Lauren Bacall

MANFIELD, O., May 21.—(AP)—It wasn't movie stuff today as Humphrey Bogart, filmdom's 45-year-old tough guy, gave the 20-year-old luscious lady a longing glance, grinned and said: "Hello, Baby!"

Just a minute before the luscious lady, Lauren Betty (the look) Bacall, also of Hollywood, had murmured "I do" which made her Mrs. Bogart.

The film stars were wed today by Municipal Judge Herbert S. Schettler on the sprawling Malabar farm of Novelist Louis Bromfield in a three-minute ceremony attended by their immediate families and a few friends.

Salem Woman's Brother Killed on Okinawa

Mrs. Richard S. Casteel received word Monday that her brother, TSgt. Earl L. Reynolds, was killed April 27 on Okinawa. He previously was with the seventh division at Kiska, Atiu, the Marshall Islands and Leyte.

Sergeant Reynolds had been in the service since 1936 and was wounded in December, 1944, in the battle of Leyte.

Vice-Governor Dies

U. S. First Army Being Moved From Europe to Pacific War

WASHINGTON, May 21.—(AP)—The First army, commanded by Gen. Courtney H. Hodges, is on the move from Europe to the Pacific, the war department announced today.

The department issued a statement saying: "It is being redeployed by way of the United States, and its personnel will receive furloughs before proceeding to the war against Japan."

"The divisions and army corps that fight with the First army against Japan will not necessarily be the same as those that fought in Germany. However, enough veteran units and veteran personnel will take the field under Gen. Hodges to insure the same vigorous assault against the Japanese as was made by the First army against the Germans."

"The fighting record of the First army ranks with the proudest in the allied expeditionary forces. Although the army itself did not enter combat until the invasion of the Normandy coast several of its units took part in its original landings in North Africa, Sicily and Italy."

"Troops of the First army parachuted into France before H hour on D day, led the way across the German frontier, broke through the Siegfried line, seized and established the Remagen bridgehead and were the first to make junction with the Russians at the Elbe. Hundreds of thousands of Germans were killed or captured by the First army in its battles across France, Belgium and Germany."

"Under the point system for the release of men with extended and arduous combat service, many of the present personnel of the units to be sent into the Pacific with the First army will be separated from their organizations before they leave Europe and replaced by men who do not have enough points to qualify for discharge."

4th Industrial Firm Reaches 7th Loan Goal

The Valley Fruit and Produce company yesterday became the fourth industrial firm to meet in Seventh war loan quota, subscribing \$800 promptly, according to Industrial Chairman Dent Reed. The industrial total now has reached \$70,040.

Sales of E bonds passed the \$350,000 mark Monday, but County Chairman Douglas Yeater reminded workers that this was barely 15 per cent of the quota that must be reached before July 4. Other individual purchases added \$193,000 to the total, which still is under the \$700,000 mark which commitmentmen had hoped to reach in the first week of the drive.

Three more prizes were added to the E bond awards which will be made at the grand wind-up on the Fourth of July. According to John Stark, who is in charge of the special awards, this brings the total to 83 prizes with a total value of better than \$3,200. Several other large gifts are in the offing, says Stark, who expects to have more than 100 prizes worth \$4,500 ready for distribution at the conclusion of the campaign.

The new awards include a General Electric washer worth \$89 from the R. L. Elfstrom company; a pair of field glasses valued at \$50 from the Morris Optical company; and a \$100 four-piece bed-room set donated by the Woodry Furniture company.

Repair Parts For Cars Can Be Made Again

WASHINGTON, May 21.—(AP)—The war production board today removed all restrictions on the manufacture of repair and replacement parts for automobiles and trucks, and disclosed a proposal for 700,000 household washing machines this year.

The action on automobile parts, expected to permit a substantial increase in output when steel and copper become available on July 1, carries priority aid for the production of necessary functional parts—those which previously were the only ones permitted at all.

Along with the washing machine plan, it was announced that production of home ironers and dryers will be freed of all restraint, and their output will be "limited only by the availability of materials, facilities and manpower."

The washers will not be available generally for retail sale until late in 1945, the agency estimated, since some materials and parts may be scarce in the early stages of resumed production.

Silverton Club Awards FFA Winner Calf

SILVERTON, May 21.—(Special)—The fourth calf to be presented an FFA member by the Silverton Rotary club went to Lawrence Fisher of the McAlpine district, at the meeting of the club on the R. E. Kleinsorge lawn Monday.

Fisher, a freshman at Silverton high school, was awarded the Guernsey for outstanding work in the Future Farmers of America organization. Jonas Byberg, president of Rotary, made the award.

Leonard Hudson, FFA instructor, gave a brief history of the annual gift, stating that the first heifer calf of each animal awarded reverts back to the organization to be presented as a future award. Mother of the calf that went to young Fisher was one presented to Ardell Johnson three years ago.

Special guests at the meeting were Ardell Johnson, who exhibited the cow given him by the club, and Wallace Johnson with his Ayreshire cow, a gift of two years ago.
