

Guests Help Pick Berries At Cloverdale

CLOVERDALE—Mr. and Mrs. J. T. Morris began the harvesting of their large acreage of strawberries on Monday. So far weather conditions have been quite favorable for the pickers but the berries could stand more sunshine. Help has been readily acquired and he handles a good sized crew, too.

Mrs. Eva Christensen and children, Bobby, Joyce and David of Portland are spending an extended vacation with Mr. and Mrs. Clifford Feller and family. While here they are helping pick gooseberries and strawberries. Mrs. Christensen is a sister of Mrs. Feller.

Douglas Brown of Salem and Marie Sherman, Joyce Kunke and Bob Hensell made a trip to the coast last Saturday.

Florence Booth is attending the teacher's special ten-day summer course at Monmouth.

Oscar Fillet of Salem has been working the past two weeks at the home of his sister and family, Mr. and Mrs. A. E. Kunke. He is doing some interior painting and wall finishing in their kitchen and bathroom.

Mrs. D. J. Waldrop, Mrs. Floyd Pense and Mrs. Clifford Feller have been working in the cannery at Liberty. The women leave in the early evening and work nights in the spinach pack.

Verna Vickers, who was recently graduated from the Eastern Oregon College of Education at La Grande, spent ten days here with her parents, Mr. and Mrs. E. V. Vickers. Verna left Wednesday to report again to La Grande before transfer to another educational center in preparation for her nurse's degree. Her brother, Jack, who is with the navy in California, phoned his sister and parents before Verna had to leave.

Four-H scholarships from the Cloverdale school have been awarded to Jaunita McCurdy in the health division and to Karleen Drager in the cooking division. Both girls will leave Tuesday for the ten-day summer school course at Corvallis.

Rain or Sunshine, Pea and Hay Farmers Disagree on Weather

Mission Bottom—Farmers here don't quite agree on the weather. Both alfalfa hay and cannery pea harvest commenced this week and the hay men are looking for a little sunshine while the pea men prefer a few clouds and cool weather.

Test loads of peas were taken to the viner on the Weather place in South Prairie. The viner on Creighton Jones' place is not quite in order.
