Platoons Go To Orchards

Marion county's volunteer adult labor plateons, organized to help harvest this year's bumper crop, went into action Wednesday when a group under direction of Mrs. J. Deanne Patterson and block 1 Mrs. O. K. Beals commenced gathering the cherry crop on the E. V. Goin fruit ranch south of Salem, Mrs. Gladys Turnbull,

Organization of another adult platoon is planned in the Salem Heights area. Before the close of school, children in the eighth consultation in their new cosmetgrade made a survey there to determine how many women would be willing to work this year, particularly in the bean harvest. Mrs. Pattison, 85, who died in Detroit, Turnbull and Mrs. R. A. Clark, Mich., Tuesday, will be held at selected as leader of the new the Howell-Edwards chapel, Satgroup, were engaged early this urday at 10:30 a.m. Pattison reweek contacting women for the sided in Salem from 1932 to 1941 work. A definite job has been set up for the new platoon in the Talbot area. Convenient pickup will be arranged for workers with stops at Salem Heights Community club and Hanson avenue and Liberty street, it was announced.

While more work is being contracted for by the farm labor office, placements are moving steadily ahead. During May the farm labor placements throughout the state soared 35 per cent above last year's figure, 8,483 being made this May as against 6,213 in 1944. For the first five months of this year, placements numbered 15,-

518 as against 8865 a year ago. Marion county with 2203 placements in May was second only to Malheur county which reported 2476 placements. Ralph P. Laird. farm labor assistant, said Wednesday that placements here this June were equally as heavy in June as in May with prospects for July being a banner month because of the backward season which has delayed seasonal harvests, piling the work into one

Prizes Offered For Children's Parade Units

Twenty-one prizes, consisting of war stamps up to the value of \$5, and a sweepstakes prize of a \$25 war bond will be given by the American Legion's July 4 commission for the-children's division of the parade next Wednesday.

Commanding the children's division, which consists of four sections, will be Paul Tharalson.

The sections include the costumed group, decorated floats (bikes, trikes, wagons, kiddy cars, orated) and marchers. Seven three division.

The war bond committee has stressed that costumes, decorations and other material used in the children's division of the parade must be home-acquired or "home-grown" - - "because we want all the money possible to go into war bonds and stamps." The children's division of the July 4 parade will line up at the Elsinore theatre at 9:30 a. m.

Tax Commission Choice to Await Return of Snell

Appointment of a state tax commissioner to succeed Earl B. Day, who recently resigned effective July 1, probably will await the return of Gov. Earl Snell who is now enroute to Mackinac Island, Mich., to attend the annual governors conference, State Treasurer Leslie M. Scott

said here Wednesday. Scott said the names of several persons had been before the board of control but none of these had been selected for appointment. "We apparently are now where we started from," Scott declared, "with no candidates under con-

sideration." Day has agreed to remain in office until his successor has been Howard, president of the Oregon chosen. Upon leaving the office Wednesday became the parents of College of Education at Monmouth, he will locate in Jackson county where he served as county judge and has property interests.

Redmond Shows **Population Gains**

Redmond in Deschutes county now has a population of 2164 as in office. "During the year," he against 1876 in 1940. The secretary of state's office announced here Wednesday. The Redmond census was completed recently by state department employes under an act of the 1945 legislature permitting census counts for towns having a population not greater than 2000.

Census counts of five other Oregon towns will be completed this week - - Sutherlin, Yoncalla, Central Point, Scappoose and Cornelius.

Towns which show an increase in population since 1940 will be subject to participate in a larger share of apportioned state funds. Request for census counts must be made by city councils.

Rotary Takes New Officers **And Members**

Seven new members were inducted into the Salem Rotary club Wednesday noon, climaxing the completion of President Roy A. Harfand's term by raising the club's membership to a new peak since its organization 27 years

As Harland and his coterie of officers for the past year relinquished their duties, Robert L. Elfstrom was elevated to the presidency, assuming the office by lauding the progress of the club the past year.

Inducted Wednesday were: Glenn Meisner, Harland Brock, Lawrence A. Ballmer, Urlin S. Page, Robert W. Minton, Arthur A. Keene and Adolph C. Nelson, Besides President Elfstrom, other officers who took office were Bill Baillie, vice-president; Gardner Knapp, treasurer; Irvin Smith secretary, and Harold Phillipe and Howard Maple, members of

the board. Induction of the new members was conducted under direction of William Hamilton, assisted by four fellow Rotarians, each giving a brief lecture to the class on objects of Rotary, Preston Doughton spoke on club service; Walter McIntyre on vocational service; Dr. R. Ivan Lovell on community service and Earl Fisher on international service.

"My experience as president of this club will prove Valuable to me in years to come," President Harland said in his last minutes continued, "we celebrated the 25th birthday of the club; Dick Wells, international president paid us a visit; in February we celebrated 40 years of rotary; we Mt. Hood Highway held a district conference. Without the help of the officers serving with me, and the individual members, we could not have had a year so packed with important events, so fully observed."

At conclusion of the talk Charles A. Sprague, one of the 27 former presidents of the club, lauded President Harland for his fine service as head of the club president to receive a diamond studded Rotary emblem, we feel highway on several occasions.

Every Person in the Wood Industry should read this message!

And Here Is Why:

- There is no reconversion problem in this industry. Production will instantly shift from war to peace.
- There is a big civilian demand for lumber and wood pulp. During the war practically all wood production has gone to war. There are 23,000 lumber dealers, and if you have tried to build anything lately, you know their bins are empty.
- 3 Some experts say that this country will build 12,000,000 new homes in 10 years after the war, starting just as soon as help and materials are available. People have saved the money to do it.
- Private forest management is growing trees for the future. Science has means of utilizing former wood wastes. Laminations, pulp products, plywoods, alcohol -a long list of advances spells better utilization of wood. And that means more jobs. The Scandinavian countries are now cutting their 4th and 5th crops of timber. We still have many years to go on our first crop, and millions of acres are growing new trees,
- To the man of ambition, the Pacific Northwest offers unusual opportunity. It is a growing country.
