"WELCOME HOME"

UNITED.. The family of nations... to protect each and every family seeking to live securely, happily, in a world of peace

The family is an entity. It lives together in full accord. It plans for the welfare and future of each member. It is realistic in its relationship; honest and faithful . . .

The same spirit inspires the United Nations in their plan to live together after Victory, planning for the welfare and future of the world; that each family within the family of nations may enjoy happiness, peace and security.

FLY our nation's Flag Today!

Metropolitan
 136 North Commercial St.

VICTORY!

We've done it with your help, and we're mighty happy about it!

Unconditional Surrender -- and Nothing Less! It has been earned by those who lie dead at bloody Japanese hands. It has been earned by the sacrifices of the civilian populace which has given up every non-essential to feed the machine of war with the ammunition and equipment necessary to beat down the enemy. It has been earned by those men and women of Labor who have worked long hours: taxed their own strength and health: and unhaltingly produced the vast fighting needs of our armed forces. Today, they are well repaid -- Peace is here.

There aren't words to express our gratitude and admiration for the wonderful service you have done your country. All we can say is -- and it's straight from the heart -- "Welcome Home!"
