From where I sit ... by Joe Marsh **Best Way to Celebrate**

The Peace We were sitting on Bill Web-

ster's porch the other night, talking about how we'd celebrate when the Japs surrendered. Lem Toller allowed as how he . was going to start his vacation then and there—and spend it fishing. Ed Mapes was going to take his family to Mountain City for a big feed and a picture

Bill Webster had the last suggestion. "I'm going to pour a glass of beer and drink a toast to our fighting men," he says, "and that is just as far as my

celebrating's going to go. I'm going to make sure of being on the job next morning."

From where I sit, Bill Webster has the right idea. When Peace comes, there's going to be a whole new world to build. There's a really big job to be done. A glass of beer, the beverage of moderation, and a good night's sleep to be ready for the task ahead-that's the right way to welcome Victory!
