Ideas About Sugar, Rubber Jar Rings, New Post-War Kitchens Given Here

A miscellany of cooking and household ideas: The county home demonstration agent reminds us to dry some fruits for winter's use. They save both fruit and sugar. You can get detailed directions for canning from Miss Marjorie Tye at the old high school building.

Another sugar saving hint comes from the same office. Less sugar is required for warm food than cold. Pies served warm can be sweetened less than when served chilled, and they'll taste as sweet. Fruit dishes especially have this quality, and the same thing goes for fruit beverages.

You can get more good out of your fruit jars if you heat the fruit some before packing. Then less water need be added and therefore the most is gotten out of the sweetening. This also serves to improve the flavor of large fruits such as peaches, pears and plums.

Here's another hint on canning pears; put them up before they are too soft. They should be good and firm, although soft, and should be beginning to give off juices. Over-ripeness is usually the cause of canned pears being mushy, rather than being overcooked. Put the pears in a mild salt water to keep from darkening as you peel them.

Light colored corn syrup can replace up to 1/2 of the sugar called for in the directions.

Rubber rings this year are said to be of better quality than last year. Color has nothing to do with the quality of rubber used. Rings may have an odd odor, but this should not be taken as an indication that the rings are faulty. The odor should have no relation to the flavor of the foods in the jars.

Speaking of jars, it's wise to use the type closure that is made especially for the jar being used, even though another brand of top seems to fit. They are really interchangeable, but when buying new tops, you might just as well purchase the original type tops for your jars.

Experts Are Practical Amusing are the findings of two experts on kitchen planning from New York State college of home economics. They state that often times the old kitchen remodeled and furnished with modern appliances turns out to be a better kitchen than the grand new streamlined ones the magazine recommends. There is more to a kitchen than streamlining and color magic, they say. Many of the elegant new rooms are merely untried models on paper -- and probably the product of the fertile brain of a highly educated man expert who doesn't know how to fry an egg, let alone know whether it's more convenient to have the dishes stored close to the place they're to be used or to the drainboard from which they are to be put away.

More study needs to be done to find ways of labor saving and preventing fatigue by proper adjustment of sink and drain-board. And don't I know -- just because the architect happens to be a six-footer is no sign I need a sink that hits me at the armpits!

Ruth Conrad Married to Navy Man

Miss Ruth Conrad became the bride of Mr. Phillip Gardner, USNR, at a candlelight ceremony in the Carrier room at the First Methodist church Saturday night, August 18, at 7:30 o'clock. The bride is the daughter of Mr. and Mrs. C. G. Conrad of Salem and her husband is the son of Mrs. Inez Gardner of Prineville.

Preceding the ceremony Professor T. S. Roberts played "I Love You Truly" and "Because." The Misses Bonnie Baillie and Donna Wengenroth, who wore pastel pink and blue net gowns, lighted the tapers.

Dr. J. C. Harrison performed the double ring ceremony before the fireplace which was decorated with pink and white roses, gladioluses and greenery.

The bride, who was given in marriage by her father, entered on her father's arm and wore a white satin gown with a full skirt which terminated in a long train. The gown was fashioned with a scalloped sweetheart neckline enhanced with seed pearls, long sleeves which ended in points over the wrists and tiny satin buttons down the back. Her full length tulle veil fell from a crown of seed pearls. The bride carried a bouquet of white gladioluses, carnations, bouvardia and maidenhair fern tied with a white grosgrain bow. Her only ornament was a single strand of pearls.

Sister Is Attendant Miss Melba Conrad of Portland was her sister's only attendant. She wore a peach chif-

fon gown with a full skirt, short puffed sleeves and sweetheart neckline. Her bouquet was of peach gladioluses, carnations and maidenhair fern tied with a peach satin bow.

Mr. Victor Haffner of Harrisburg, cousin of the bride, stood with Mr. Gardner as best man. Mr. T. J. Wriston of Salem seated the guests.

For her daughter's nuptials, Mrs. Conrad wore a flowered jersey dress with black and white accessories and a corsage of gardenias. The groom's mother was unable to attend the ceremony.

The newlyweds greeted their guests in front of the fireplace at a reception immediately after the ceremony. Mrs. T. J. Wriston of Salem cut the bride's cake and was assisted by Mrs. Harlan Ross of Harrisburg. Mrs. Victor Haffner of Harrisburg presided at the punch bowl. Misses Bonnie Baillie and Donna Wengenroth were in charge of the guest book and the gifts.

When the couple left on their wedding trip the bride wore a gold wool dressmaker suit with brown accessories. The couple will visit the groom's mother and relatives in Prineville and then proceed to San Francisco where Mr. Gardner reports back to his ship. Mrs. Gardner will return later to her duties as official in charge of the U. S. weather station at LaCrosse, Washington.

Mrs. Riley a Newcomer

Sylvia Gooch Riley has come to Salem from Portland to take charge of the prescription department of Fred Meyer's drug department.

Mrs. Riley is a former president of the Albany branch of the American Association of University Women. A graduate pharmacist, she has been employed in Fred Meyer stores' drug departments in Portland since 1943. In Salem she is living temporarily at the home of her brother, Earl Gooch, 975 North 16th st.

Radio Programs

Table with columns for radio stations (KSLM, KOIN, KGW, KEX) and program times (Thurs. 6:00, 6:15, 6:30, 7:00, etc.).

RATION CALENDAR

New Radio Series Of Interest

Of interest to radio listeners and Salem Business and Professional Women's club members in particular are the series of "Beyond Victory" radio programs which are sponsored and put out by the World Wide Broadcasting Foundation in collaboration with the Carnegie Endowment for International Peace. Transcriptions of these broadcasts will be made available to clubs, schools, study groups upon request to the foundation and there is no charge for this service. These programs may be heard over KSLM on Saturday morning at 10:30 to 10:45. Previously these broadcasts were scheduled for a Monday evening hour but due to network hookups the time had to be changed to Saturday.

The title of the coming Saturday's program is "The Charter--Jobs for All." This program has been arranged in the popular question and answer style with men who are considered to be experts in their field doing the answering. On this program will be Mr. Malcom Davis, executive officer on the first commission of the San Francisco conference, answering questions propounded to him by a war veteran, a newspaper staff member and a member of the Foundation's Listeners' league.

Miss Marie Churchill of Portland is a guest at the home of her brother-in-law and sister, Mr. and Mrs. George Weller, for several weeks. Coming to spend the weekend at the Weller home will be her brother-in-law and sister, Mr. and Mrs. J. F. Elton.

Haffner Family Visits

LIBERTY--Mr. and Mrs. Herman Haffner and four children of Salem were Sunday guests at the Lloyd Bjeide home.
