Stock Market **Hits Another** 8-Year High

NEW YORK, Aug. 28 .- (AP)-The stock market's industrial average, while confronted with selling on the length upswing, managed to make another new high for the past eight years today although rails and many other recent climbers suffered losses.

Investment demand still was buoyed by post-war business optimism, the reconversion speed-up and rising hopes of tax relief. Commitments were reduced in numerous cases, however, because of the feeling a technical correction was in the offing.

Transfers of 1,260,000 shares compared with 1,570,000 the day

. The Associated Press 60-stock composite was up .1 of a point at 66.9, its sixth successive recovery.

Scarcity of bean pickers in local communities was relieved somewhat recently when soldiers from the army ground forces replacement depot No. 4 at Camp Adair went into the fields. Above, Pvt. Lester Brenneman of Hanover, Pa., left, and Pvt. Joseph Dandino of Morristown, NJ, picked beans near Independence. In the other picture Pvt. Donald Levendusky is shown gathering hops in the De Costa yard in Independence on his day off. Other soldiers worked in local canneries throughout the area on their off duty hours.
