Small Surplus Gives Start for War Chest; \$1,385,339 Sought

The total to be raised for the Oregon war chest in the October campaign has been established at \$1,385,339, according to Charles A. Sprague, president. There exists a surplus from the 1944 campaign in the amount of \$28,422, which will be applied on the total to reduce the amount.

Of the total amount of money, the National War fund, which finances the USO, United Seamen's service and 17 other national agencies, will receive \$1,046,500. The balance of the money remains in the state for the use of eight state agencies and a nominal sum for campaign costs.

The quotas for the various counties have been established, and each county organization will add to its Oregon war chest quota an amount sufficient to meet local expenses and to cover budgets for local agencies. It is anticipated that the over-all amount to be raised this year will be over \$2,500,000.

The Oregon war chest quotas for the counties follow:
