Demonstration Of Irrigation Set Wednesday

Irrigation in the field will be demonstrated at four farm meetings being held on irrigated farms Wednesday, September 3. These meetings have been arranged as a tour by the Marion county agent's office and are designed to demonstrate the different types of irrigation systems and crops grown under irrigation.

The meeting in the morning will be held at 10:30 on the Felix Hasting farm, 1.8 mi. N. W. of Broadacres, 3 mi. W. of Hubbard. This will be sprinkler irrigation from drilled well on Ladino clover pasture on Amity and Dayton soil. Three meetings have been arranged for the afternoon. At 1:30 p. m. on the Dr. A. W. Simmons farm, 1 mi. N. E. of Central Howell on Mt. Angel road, farmers can see sprinkler irrigation from drilled well on ladino pasture in Howell Prairie. The meeting at 2:30 p. m. will be on the Silas Torndorf farm, on Newsome Bridge road, 2 1/2 mi. N. W. of Central Howell. Irrigation here is flood and low pressure perforated pipe sprinkler irrigation with a concrete pipe distribution system. The last stop is at 3:30 p. m. on the Wm. J. Meier farm on Fairview home road, 1/2 mi. W. of junction with Turner road. Flood irrigation is just being set up using concrete pipe on this farm. A field is being prepared for strip border flood irrigation of ladino clover pasture.

Ruling Given By WLB for Salem Case

SEATTLE, Sept. 2. (Special)—In a dispute involving the Cherry City bakery, Smith bakery and Benson bakery of Salem, Ore., and the Teamsters union, local 324, AFL, the 12th regional war labor board has denied a \$7 per week increase for driver salesmen but granted an \$8.40 weekly increase for loaders and a \$10 per week increase in the minimum guarantee for route supervisors.

MODEST MAIDENS

"Yes, it is a rather nice shade."

The vote on wage issues was reached on July 25, prior to the new wage policy. Increases for loaders and route supervisors were granted by unanimous vote of the board. Labor members dissented to the denial of an increase for driver-salesmen.

The board also directed that the work day for country drivers shall remain at nine hours under the new contract and that time and one-half shall be paid for all time worked in excess of eight hours by city drivers and nine hours by country drivers, with the provision that commissions shall not apply as overtime payment.

The union had requested an eight hour day for country drivers. Labor members dissented to the denial of this request and industry members dissented to the overtime award on commission payments.

The board, with labor members dissenting, also denied a union request for a change in the past contract definition of city and country routes. Under the present definition, anything over 80 miles is a country route. The union requested that this be changed to anything more than five miles from the outskirts of Salem.

A vacation award of one week with pay after one year's service and two weeks after five years service was granted by the board, industry members dissenting.

Midwest Grain Rise Leaves Portland Stable

PORTLAND, Sept. 3. (AP)—Strengthening of midwest grain futures at the close of last week had no effect on the Portland cash wheat market, the U.S. department of agriculture said today. Producers continued offering little wheat because quoted bids at most up-country points, although up about 2 cents a bushel, still were slightly below loan values. Portland claimed 263 of 1000 cars to arrive at Puget Sound and Columbia river terminals. Many cars already on the track remaining loaded. Heavy movement of consigned wheat to the coast was blamed for the congestion.
