Lebanon Farmers Of Divided Opinions Following Early Rain

LEBANON-The first fall rain Mexican national who was em- Much grain had been cut and was was not an unmixed blessing. down and in many fields sacked grain was still stacked in the open. Some farmers fear that their late sown grain which is still green will start again to grow and so delay ripening until too said the man apparently was a late. The wind storm that ushered in the rain caused some loss of peaches and other tree fruits. Over half an inch fell quietly and so penetrated well and those who depend upon pasturage expect this moisture coming before the growing season is entirely over, to start the grass early enough to and deputy coroner Richard F. be far enough along to withstand cold weather.

yard busy until June of next year, according to announcement made recently by company spokesmen. Chicago Family

er tenders.

SHELBURN-Mr. and Mrs. Rollier and two children recently from Chicago have bought 30 acres from James Trollinger and will make their home in Oregon. Mr. and Mrs. Trollinger have lived in this place for more than 20 years but have now moved to the former Ed Miller place near the Santiam river.

Buys in Shelburn

The Rolliers have a son who will enter high school as a freshman, and a daughter who will be in the seventh grade at Munker school.

Other new arrivals in this neighborhood are Mr. and Mrs. Malcolm and five children from California, who are now living on Mrs. W. H. Hobson's place.

The international code of flag signals is a great universal dictionary which makes communica-2.3 tion everywhere intelligible, re--0.1 gardless of the tongue spoken by those using it.
