

### No Answer to Kiss Challenge

He failed to make it! Texan William Felder, 20, fresh from 17 months' war duty on the famed cruiser U. S. S. San Diego, which docked at San Francisco recently, hangs by his heels with the aid of four shipmates to answer the challenge of a kiss proffered by titian-haired Anne Falconi, ambulance driver, on the dock. As shown, either the ship was riding too high at the pier or the dock was too low. (International)
