Consumption of

Gasoline High

Gasoline consumption in Oregon during the month of August this year was the second highest on record for that month in this state, Secretary of State Robert S. Farrell, jr., disclosed Tuesday. Oregon motorists used 27,484,-798 gallons of gasoline this Aug-

ust. The only August to exceed this consumption was August of

1941, when use totaled 30,737,874

August consumption this year

was 26 per cent over the August

use a year ago. For the first eight

months of the year, gasoline con-

sumption amounted to 166,640,982

gallons, an increase of ten per cent over the consumption of the

MR. FARMER

One of the most frequent objections we hear from

farmers is not the cost of compensation but the detail

of monthly reports. We will write either compensation

or employer's liability, and you report your payroll

once a year. Phone or write our office for a quotation.
