Strikes Touch Off Slump in Stock Market

NEW YORK, Oct. 23-(AP)-Darkening of the labor horizon, in addition to other factors, touched off selling in today's stock market that resulted in losses of one to three points over a broad front.

The list held to a narrowly irregular course until around midday when the rejection by U. S. Steel of union wage demands, plus a strike vote for General Motors due tomorrow, caused holders of automotive and metal issues to run to cover. Transfers totaled 1,370,000 shares compared with 1,140,000 Monday.

Earnings, dividends, inflation arguments and tax hopes persisted as buying props. Many customers, however, stood aside to await the administration's wage rate policy which, Washington reports said, might involve recommendations for a moderate pay boost to be absorbed by industry without a rise in prices.

The Associated Press 60-stock composite fell .5 of a point to

Bell Aircraft was an isolated strong spot, up 21/2 points at a new high in the wake of a stock dividend and the usual cash disbursement. Sears Roebuck enjoyed a jump of 1% for the new split-up common. United Aircraft, American Can, Consolidated Edison and Phelps Dodge retained modest advances.

Co-op Market News

1288 State Street

Apples! Apples! It s apple bobbing time. If you haven't visited the Co-op Market lately, you will enjoy the apple display. Many colors and sizes. The predominating varieties now are Banana, Spitz, Grimes Golden, Jonathan, Kings and Delicious, with a few each of several other varieties. The apple crop is a little

short this year so better buy a supply now or at least get your order in. It is still good advice to plan on an apple a day to keep the doctor away.

PEARS Comice pears are at their best. These are good for salads and, when fully ripened, make very good preserves. Look

POULTRY AND EGGS There is a little better supply now of dressed poultry and fresh eggs than there has been during the summer. Mrs. Box's fryers are recognized as No. 1 in flavor and texture.
