## YOU CAN'T DENY REALISTIC COLOR OF NEW PLATES

Lifelike appearance of dentures accounted for by carefully-blended and unfading color.

### Dr. Painless Parker Says:

"Lighter plates of lustrous beauty made with the improved material all dentists approve, harmonize more easily with individual features. They afford greater resemblance in color and graceful design. Have permanent form and will not shrink or warp."

### More Faithful Reproduction Possible With Transparent Dental Plates

The dental profession has chosen transparent material for making plates because of its adaptability and its tested and balanced strength. Plates are more durable, offer more wearing efficiency. Naturalness is stressed in the choice of color that merges with that of the gums and tissues. Arrange to get new plates with Accepted Credit. Pay by week or month.

### Preventive Dentistry Protects Your Future Health

By visiting a dentist at frequent intervals you can have teeth examined and repairs made. Don't wait until teeth begin to ache and cause discomfort before consulting the dentist. Sometimes ailing teeth may be the cause of the decline in your vitality and energy. Today dental ills are the most prevalent in the nation. They can destroy your physical well-being for the future.

### Make Your Own Credit Terms, Within Reason

Dental service of all kinds. Start your work now. Pay later. First visit without appointment. Bridgework, plates, extractions, fillings, inlays and crowns.

### Pay As You Are Paid With Accepted Credit

You're Only Doing Your Share When You Buy Extra Bonds

### Translucent Teeth Simulate The Effects Of Fine Natural Teeth

Refinements made in artificial teeth offer you restorations that add a live, vital appearance to plates. Translucent teeth absorb and reflect light and are available in the shade and shape of your own teeth.

### Select crystal-clear palate plates. They reflect tissues of mouth.
