the Mrs. has been a good soldier, too

Yes, the "little woman" has been a good soldier during the war, too. Her lot hasn't been an easy one and a little change, a respite from routine points and war-worries would do her good. So, next time you come to Seattle bring her along. And let her enjoy herself, too, at The Olympic.

Step in the floral shop in the lobby and buy her a corsage. Let her browse about the shops, enjoy a show. Take her to dinner in the Georgian Room.

Then, in the evening, take her dancing in the swank Olympic Bowl. She'll get a thrill in an evening spent in this "bit of New York in Seattle" with its sparkling atmosphere and famous-name band. And so will you! It's informal, so no fancy clothes are necessary.

The few dollars it will cost you will be the best investment you ever made. For it is not expensive to "go first class" at The Olympic. Single, or double, it costs little more at The Olympic than the average hotel.

Just let us know reasonably in advance and we'll have the accommodations you want awaiting you. And we'll do everything in our power to make the visit pleasant both for the "little woman" and yourself.
