Late-Session Rally Boosts Stock Prices

NEW YORK, Dec. 5-(AP)-Advances of 1 to 8 points to new yearly highs in aircrafts and rail equipments stimulated a last-hour rally in today's stock market and erased or sizably reduced earlier extreme lows in a good number

Most of the rails and utilities failed to respond to late buying although losses were cut considerably. Some of the liquors, rubbers, oils and metals were off fractions. Motors improved a bit. The Associated Press 60 - stock composite rose .1 of a point to 76.2. At tops for 1945 and longer were Boeing, United Aircraft, Grumman, Republic Aircraft, In-

ternational Telephone, Lima Loco-motive and American Locomotive.
