"Me...I'm staying in the Army!"

THERE ARE PLENTY OF REASONS...AND HERE THEY ARE!"

- "First, I keep my present grade. That means a lot.
- "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and if I desire I can select any of the overseas theaters.
- "I get \$50 a year, reenlistment bonus for each year I've been in the Army. I get my mustering-out pay, too. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.
- "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.
- "All of us who are reenlisting are going to have from 30 to 90 days' furlough at home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.
- "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment looks good to me!"
